A taste of Asia!

Tasting the food of Cabramatta is the best way to discover the rich culture of Cabramatta and its many Asian influences.

Cabramatta is home to more than 60 eateries as well as many fruit shops, butchers, fishmarkets, Asian supermarkets and street stalls. Below is a suggested itinerary.

FOLLOW delicious smells to discover Cabramatta's eateries on John Street, Freedom Plaza and Arthur Street.

EXPLORE the arcades and laneways of Cabramatta to find fresh produce stalls selling tropical fruits, seafood, chicken and meat – the prices will amaze you!

ENJOY a European coffee or a pastry from a French patisserie at the eastern end of John Street.

TAKE HOME varieties of fruits and seafoods that you won't find anywhere else in Sydney and learn about new dishes to cook at home.
