FAIRFIELD CITY COUNCIL'S FREE ENVIRONMENTAL WORKSHOPS

To book a free workshop, visit www.fairfieldcity.nsw.gov.au/events and go to the date the workshop is on or contact Fairfield City Council on 9725 0222. Booking for each event opens one month before the scheduled date.

Workshops	Date and time	Location	Description
Seed Collecting for our Future	10 – noon Saturday 25 February 2023	Nalawala	Have you ever wanted to collect seeds from your plants to propagate and did not know how? Then come along to this workshop to learn how to collect seed, when seed is ready to be collected, seed cleaning and storage.
Insects in the Garden	1 – 3 pm Saturday 25 February 2023	Nalawala	Identification of insects and diseases in the garden can be hard. Come along to this workshop to find out what are the good insects in your garden, how to promote them and what are the pests in your garden and how to control them.
Breakfast with the Birds workshop	7:30 – 10:30 am Saturday 25 March 2023	Upper Prospect Creek	Join Andrew Patrick from Zest for Birds on a walk and talk as he highlights a variety of birdlife. Please wear comfortable shoes, sun smart clothing and bring water and binoculars. Brunch will be provided The walk will start at the beginning of the walking track on Widemere Road. Best parking is on Davis Road. Please note that we will be walking on uneven ground.
Guided Walk Orphan School Creek	9 – 11 am Saturday 13 May 2023	Orphan School Creek	Learn about the features of the natural biodiversity along with the origin of the name of Orphan School Creek as well as the past management practices around creek lines of Fairfield City. The walk will start at the corner of Arrawatta Close and Glen Elgin Crescent.
Weed Identification and Control	9 - noon Saturday 3 June 2023	Nalawala	Did you know our gardens are the greatest source of bushland weeds? Learn what plants in your garden can spread to our bushland reserves, how they spread and how we can prevent this from happening. Look at alternative plants that serve the same function as those classified as environmental weeds. You will also receive some free native plants for your garden.
Propagation for Kids workshop	9 - noon Monday 3 July 2023	Nalawala	A terrific workshop focused on teaching kids and the young at heart how to propagate and grow local native plants via a variety of techniques
Fairfield's Hidden Nightlight – Spotlighting workshop	6 – 9 pm Friday 11 August 2023	TBA	Have you ever wondered what creatures come out at night? Come for a night walk along one of Fairfield City's creeks and use all your senses to explore what Fairfield City has to offer. You will need to wear warm clothes, mosquito repellent and bring a spotlight or torch.
Breakfast with the Birds workshop	7:30 – 10:30 am Saturday 2 September 2023	Cabramatta Wetland	Join Andrew Patrick from Zest for Birds on a walk and talk as he highlights the variety of birdlife. Please wear comfortable shoes, sun smart clothing and bring water and binoculars. Brunch will be provided. We are meeting at the end of Bowden Street.
Frogs in Fairfield	6:30 – 9:30 pm Friday 15 September 2023	Upper Prospect Creek	Come and listen to a talk on frogs in the local area and learn how frogs are the indicators of the health of the environment. The evening will conclude with a stroll through a wetland to see what frogs we have in Fairfield City. The walk will start at the beginning of the walking track on Widemere Road. Best parking is on Davis Road. Please note that we will be walking on uneven ground.
Backyard Habitat for Kids workshops	9 - noon Thursday 5 October 2023	Nalawala	A fantastic workshop designed to introduce kids to the local animals and bugs that live alongside us. Workshop includes animal presentation and building different types of bird nesting boxes.
Guided Walk Prospect Creek	9 – 11 am Saturday 4 November 2023	TBA	Come and be inspired with the features of natural biodiversity along the Prospect Creek as well as the past management practices around creek lines of Fairfield City. Learn about the Aboriginal and European history of the creek with Jennifer Farrer from Boronia Tours.

Events	Date and time	Location	Description
Community Nursery Open Day	9 am – 3:30 pm Saturday 16 February 2023	Fairfield Community Nursery	Come to learn what native plants would suit your property, and take some home.
Clean Up Australia Day	All day Sunday 5 March 2023	Various sites in Fairfield City	Be a part of the largest community based environmental initiative in the country by cleaning up your local area. Visit www.cleanupaustraliaday.org.au to find a site or register your own.
Creeks and Wetland Group Meeting	6 – 9 pm Thursday 9 March 2023	Nalawala Sustainability Hub	Micro-plastic in our environment – Come and join the creeks and wetlands group to learn how micro-plastics are measured in the environment, learn the scientific methods and how you can help.
Flying Fox Reserve Planting Day	9 – noon Saturday 29 April 2023	Flying Fox Reserve Cabramatta	This project will help to restore 1.8 ha of native vegetation canopy and midstory at the rear of Flying Fox Reserve, as well as creating a suitable microclimate similar to that of the existing camp area to favour the flying fox's long-term survival within this heavily urbanised area. Canopy and midstory restoration will focus on the area that the camp occupied in 1995, to encourage the flying foxes to reoccupy this area, further away from residential properties, commercial premises as well as the Warwick Farm Racecourse.
National Tree Day	9am - noon Sunday 30 July 2023	Karoon Avenue, Canley Heights	National Tree Day is Australia's largest community tree planting event. By planting trees you will be joining thousands of individuals in making a difference, connecting people with nature, beautifying neighbourhoods and inspiring positive environmental change. BBQ lunch will be provided.
Chemical Clean-Out and e-waste Drop Off Day	August TBC	Fairfield Showground	Safely dispose of your hazardous and electronic materials at Council's free drop off day.
Spring Clean Drop Off Day	September TBC	Fairfield Showground	Bring along your unwanted bulky household items and garden waste to Council's free collection day. This event is for Fairfield City residents only.
Community Nursery Open Day	9 am – 3 pm Saturday 16 September 2023	Fairfield Community Nursery	Come to learn what native plants would suit your property, and take some home.
Creeks and Wetland Group	6 pm – 9 pm Wednesday 4 October 2023	Nalawala Sustainability Hub	This group is committed to the restoration of Fairfield City's waterways. The group formed in 1996 and has worked in partnership with Council to conserve our creeks, wetlands and wildlife. The group holds meetings at Council every six weeks and holds working bees and/or tree planting days on a regular basis.
Volunteer Christmas Lunch	10 am – 1 pm 25 November 2023	Cherrybrook Park	Come and be inspired with the features of natural biodiversity along the Cabramatta Creek and the Georges River as well as the past management practices around creek lines of Fairfield City. Learn about the Aboriginal and European history of the river with Jennifer Farrer from Boronia Tours.

Community Groups	Date and time	Location/ Venue	Description
Fairfield Community Nursery Open Days	9 am – noon Every Tuesday, Wednesday, Thursday	Fairfield Community Nursery, cnr Greenfield and Moonlight roads, Prairiewood	Fairfield Community Nursery offers volunteers a variety of experiences including plant identification, using different propagation methods, nursery maintenance and seed collecting. Come and be involved with a community group of likeminded residents.
Indigenous Flora Park Bushcare Group	9 am – noon 3 rd Saturday of each month	Christie Street, Prairiewood at the entrance to the Flora Park	The Flora Park Bushcare Group was the pioneer environmental community group in Fairfield City, established in 1991. The Flora Park Bushcare group are at a stage where all major weed removal has been completed. Native regeneration is high within the park. They need your help to maintain this area and continue this regeneration. Tasks will include: hand weeding, track maintenance, seed collecting and monitoring.

Sustainable Living Tips
