Best practice example of a youth participatory event for Youth Week

- Young people engaged via PYT's training pathways (Ensemble) created and delivered a unique idea that showed off their strengths
- The theatre space was transformed into an interactive drama/escape room for a night
- 8 members of the PYT Ensemble wrote, created, sourced props, dressed the Escape Room, built the practical effects, learned lines, rehearsed, created costumes, took photos for social media, created flyers and did front of house duties (while in costume)

Wins & positive outcomes:

- Experience lead onto paid opportunities for young people involved. Up to 80% of Ensemble members in 2022 reported going onto paid employment as a result of their participation
- 1 young person engaged as a staff member at PYT Fairfield helped produce the project, overseeing operations and providing advice on the social media strategy
- Two school aged young people designed and promoted the Dungeons and Dragons event (prequel to escape room)
- The event was so successful that Halloween, SHP and an additional commission at FCC Culinary Carnivale followed
- Event was well attended and very positively received – free and fun space created for young people 12-24 - approx. 60 feet through the door
- Contributed heavily to Fairfield's Youth Week calendar being finalists for **"Most Innovative Youth Week"** award and winners of **"Best Youth Week"**

*"So proud of this awesome cast. Thanks guys you made our dream a reality for 4 hours on your feet. Can't wait for next time."

Frequently Asked Questions

HOW MUCH MONEY CAN WE APPLY FOR?

No more than \$3,000 in the community grants program. In the Creative Communities Grant program the maximum grant is \$5,000.

WHEN WILL WE FIND OUT IF WE ARE SUCCESSFUL? WHEN WILL WE RECEIVE THE FUNDS? WHEN CAN WE RUN OUR PROJECT?

You will be notified of the outcome of your application once Council has made a determination. Successful applicants will be emailed and a funding agreement will be provided. Once this is signed, funds will be made available and you can begin your project.

WE RECEIVED FUNDING LAST YEAR. CAN WE APPLY AGAIN THIS YEAR?

Yes. As long as you have completed all your acquittals you can apply for more funding in each of our categories.

CAN WE PUT IN MORE THAN ONE APPLICATION THIS YEAR?

Yes. We have a number of different categories. Some have two rounds each year. You can apply for any category as long as you have a project that meets the requirements of the funding. You can't submit more than one application for the same grant 'category' e.g. 2 applications for Community Capacity Building. However, you can submit one application for each grant category, e.g. 1 application for Youth and Community Capacity Building.

Frequently Asked Questions

CAN TWO GROUPS APPLY FOR THE SAME PROJECT?

Two organisations can't apply for the same project, even if it's for different parts of it. Council will only make one contribution to a project. An organisation can be a partner in more than one project.

CAN MY ORGANISATION CHARGE AN ADMINISTRATION FEE FOR MANAGING THE GRANT?

We are only providing small grants to organisations so there is not much capacity to pay an administration fee. At the most, you could claim 5% for administration.

OUR ORGANISATION IS BEING AUSPICED BY ANOTHER. WHAT DO WE HAVE TO DO?

The auspicings organisation is responsible for submitting and managing the grant. Make sure you have a clear agreement with them around the project and your responsibilities. The auspicings organisation will need to sign the funding agreement and acquittal.

Frequently Asked Questions

CAN WE EMPLOY A NEW STAFF MEMBER?

The grants are not suited to employing a staff member or covering salary costs for project delivery. However, they can be used for a facilitator or group leader on a short-term contract.

DO I HAVE TO GET OTHER SOURCES OF FUNDING?

This one can be difficult as you might have multiple sources of funding for one project.

Let us know if you have sought funding from elsewhere so we can make an informed decision.

DOES MY APPLICATION HAVE TO INCLUDE GST?

All funding sought will be GST free. In your budget the total amount sought will not include GST. However, at time of payment Council will add the 10% GST to your application.

<https://fairfieldcity.smartygrants.com.au/>

Council grants are administered through SmartyGRANTS, an online grants management system.

If you are new to SmartyGRANTS you will need to register your organisation through the portal.

An **important tip**: Keep your email address generic so it is not linked to any one person.

- Not enough detail around who, what, where, when and why
- Unclear about how the project will target Fairfield residents
- No connection to the target group or lived experience to ground the proposal
- Not articulating evidence of need
- The application doesn't flow
- Underdeveloped evaluation to measure results
