

Parts of Chipping Norton

Prepare to evacuate

Evacuation Warning

Issued: Wednesday 2nd March 2022 11:30 am

NSW SES is advising **residents and businesses** within **Parts of Chipping Norton** to **prepare to evacuate the following area** in the next few hours:

Southern side of Newbridge Road, between Davey Robinson Drive and Milperra Bridge.

Why we are advising people to prepare to evacuate: Floodwaters may isolate the area. If you remain in the area, you may be trapped without power, water and other essential services and it may be too dangerous to rescue you.

Where to go if evacuation is required: Prepare to stay with family, friends or at accommodation outside of the flood area. If you are unable to do so, an evacuation centre location will be advertised.

Simple things you can do now:

- Take pets, essential items, warm clothes, medicines, insurance documents and valuables with you.
- Relocate other personal possessions to a safer/higher place.
- When directed to evacuate, leave as early as possible to avoid congested roads.
- Prepare to take drinking water and food due to possible long travel times.
- Share this information with family, friends and neighbours and help others where possible.

For more information:

- Listen to your local ABC radio station,
- Follow us on Facebook at /NSWSES or our website at www.ses.nsw.gov.au
- Go to latest Weather and Warnings at www.bom.gov.au/nsw/
- Go to latest Rainfall and River heights at <http://www.bom.gov.au/nsw/flood/greatersydney.shtml>
- Visit Road Closures at www.livetraffic.com.au or the LiveTraffic app or phone 131 701

For emergency help in floods and storms, call the NSW State Emergency Service on 132 500. In life threatening situations call triple zero (000) immediately.
