Volunteer Mask Making Project

Whitlam Library Cabramatta is calling for volunteers to join in the making of masks to assist with mask supplies in our community. This project will encourage our community to not only wear a mask in places where social distancing is difficult like indoor spaces or public transport, but offer vulnerable members in our community the safety of wearing a mask. If you would like to be part of this supportive project and need more information, [click here](#).

COMMUNITY FACE MASK SEWING PROJECT

Fairfield City Open Libraries' community face mask sewing project is all about coming together as a community to sew for a good cause.

To create a COVID-19 safe environment this is not a class. This is an independent sewing project for individuals with previous sewing experience. If you would like to participate in this event, please check criteria below:

- Experience using a sewing machine
- Level: person who sews
- Able to work with pattern and instructions independently
- Able to read a pattern
