

SECTION 1 - INTRODUCTION

1. BACKGROUND

Fairfield City Council (Council) has made the following commitment to the community as recorded in the Fairfield City Plan under Theme 5 - Good Governance and Leadership to ensure:

- a. *Decision making processes are open and transparent,*
- b. *A well engaged and informed community,*
- c. *Fairfield City is financially sustainable and responsible; and*
- d. *Strengthen relationships through partnerships within our community*

Approximately 71% of our residents speak a language other than English at home. Fairfield City has more residents who speak English poorly or not at all, than any other Australian city. More than half of the residents were born overseas, coming from mostly non-English speaking countries. Our residents have identified job opportunities and access to schools, universities, colleges and TAFE as some of their priorities.

Council shares the Australian Government’s vision of a ‘socially inclusive society’ where all Australians feel valued and have the opportunity to participate fully in our society. The Language & Cultural Awareness Fund will assist in achieving that vision.

2. PURPOSE

This Policy aims to:

- 2.3 Improve our residents access to training and employment opportunity through the acquisition of proficient English Language and Literacy skills; and
- 2.4 Identify governance arrangements to ensure appropriate administration of the Fund.
