

# LOCAL GOVERNMENT ELECTIONS

## SATURDAY 4 SEPTEMBER 2021

On Saturday 4 September Fairfield City Council will be holding its Local Government Elections.

Due to the impact of COVID-19 and increasing demand for pre-polling, Council has decreased the number of polling places on Election Day and increased the number of pre-poll locations. These changes have been made so that all Fairfield City residents get an opportunity to vote at a time and place most convenient to them and to ensure their vote counts.

Find your place of residence on the Election Ward Map below and match the colour shown with the corresponding ward in the tables overleaf. This will show you your closest polling place. For example, if you reside in the green shaded area, you can only vote at a polling place shown in the Parks Ward table.

There is no absentee voting at Local Government Elections. Voting is compulsory and fines apply if you do not vote.

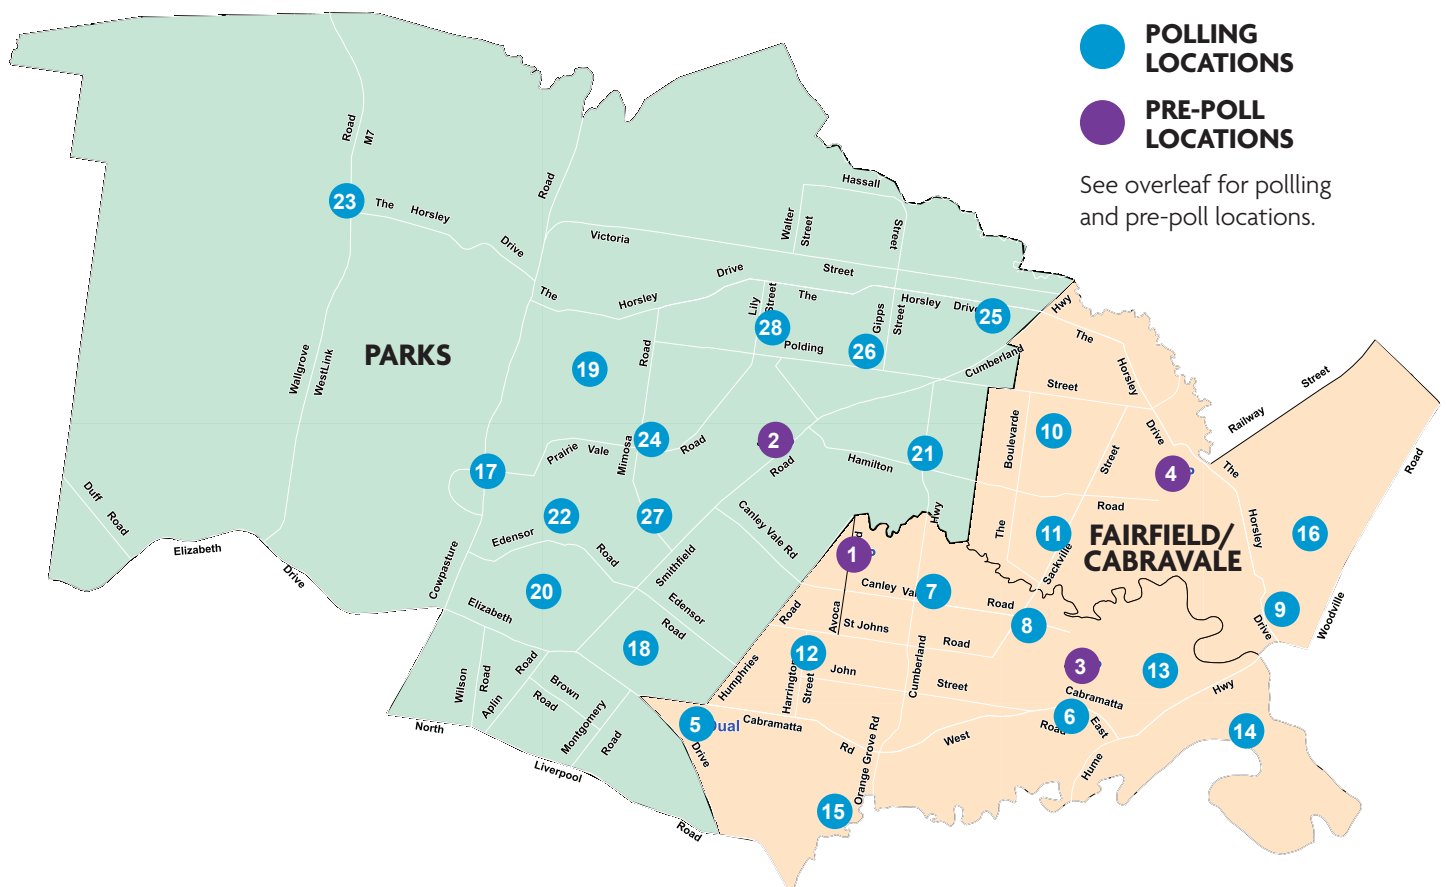

If you are unable to vote on Election Day, you can vote early by applying for a Postal Vote (prior to 5pm, 30 August 2021) by ringing 9725 0226. Postal voting opens on Monday 2 August 2021.

Alternatively, if you would like to vote by pre-poll you can attend any of the locations overleaf from Monday 23 August to Friday 3 September 2021 (excluding Sunday 29 August 2021).

For further information in relation to these elections, please call Council on 9725 0226, or visit [www.fairfieldcity.nsw.gov.au/2021election](http://www.fairfieldcity.nsw.gov.au/2021election).
