

MAYOR'S MESSAGE

FRANK CARBONE

I am proud to bring you Fairfield City Council's 2021 calendar. This calendar is filled with exciting activities and events for the whole family to come together and eniov.

After a challenging 2020. I look forward to welcoming families from here and all over Sydney back to our fun and colourful events and festivals as COVID-19 restrictions allow. We will continue to focus on providing safe and fun activities for the whole family. Our events and activities are marked on the pages of this calendar, along with other important dates and public holidays. At the end of the calendar is a list of contact numbers for Council's various services

The calendar is the perfect place to plan your days out in our City at our many parks, playgrounds, leisure centres and libraries. Council has invested heavily in our City's facilities and open spaces in recent years to make them great places to meet with family and friends. In 2021, we will continue to strengthen our City as a great place to live, work and raise a family with further investments in the facilities and services you rely on.

In early 2021 we will open our City's first all-abilities playground at Deerbush Park next to Fairfield Showground. This playground will include play equipment and facilities that children will be able to enjoy together. There will also be a learn-to-ride path, outdoor gym equipment and a splash play area. Deerbush Park will build upon our transformation of Fairfield Showground into a place that has something for everyone to enjoy. This will include a new grandstand for sports spectators, and our City's largest off-leash dog park.

We are bringing the beach to Fairfield City at our popular Aquatopia Water Park with a new wave pool, with surfable breaking waves. It will be the most exciting way to stay cool in summer. There will also be more cabanas to hire, more shade with palm trees and umbrellas, and more amenities for your comfort and convenience. At Cabravale Leisure Centre, planning will continue to transform the centre into a health and wellbeing precinct with a focus on rehabilitation while still providing all the services you have come to expect from our leisure centres.

We are also building a new library for families and a new business hub for local businesses in the heart of Fairfield City Centre, a new multistorey car park in Cabramatta, a new futsal court at Emerson Park in Wetherill Park, and many new playgrounds, walking and cycling paths to ensure our residents have access to places to relax, have fun and stay fit together. These are just some of the exciting projects we have in store in 2021.

I wish everyone a happy, safe and prosperous 2021.

In partnership with families and communities, we provide children with opportunities that build resilience and the ability to engage in long life learning. With the new school year commencing, it is time for children to return to our early childhood centres. Council runs 14 centrebased Early Learning Centres (0-6 years) with fees starting at just \$10 per day, 10 supported playgroups and a Family Day Care scheme.

Celebrations continue in February as we welcome the Year of the Ox/Buffalo at the Cabramatta Lunar New Year Festival on 27 and 28 February. People born in the Year of the Ox (1925, 1937, 1949, 1961, 1973, 1985, 1997, 2009, 2021) are usually hard workers, humble, intelligent and reliable.

The first round of ClubGRANTS for the year opens this month, with Council hosting workshops for prospective community groups.

Fairfield City is a unique place of cultural diversity and indigenous heritage. It is the embodiment of a united community where people have come from various nations to seek opportunities and make this City their home.

Located in the geographical centre of the City, this space celebrates the people of Fairfield and their rich cultural heritage.

The emblem wall recognises the many countries and ancestry of our people whilst the bronze ground inlays acknowledge the distances our residents have travelled to settle here – and are now united as Australians.

The People's Globe represents the world in one place and is a testament to residents past, present and future who are united in a common purpose, to continue to make this City great.

We have residents hailing from more than 100 nations living in Fairfield City and we are proud to celebrate our City's incredible diversity.

Council invites the community to come together for Harmony Day and enjoy a celebration of one of the City's great strengths, its multiculturalism, at the Living Cultures Festival at Fairfield City Museum & Gallery on 20 March.

The Fairfield City Museum & Gallery hosts programs for all ages throughout the year, including art classes, craft workshops, exhibitions, cultural events, tours and more.

At Fairfield Showground, we celebrate our diversity every day with The People's Globe. Visitors can spin the giant globe, discover how far away they are from major cities around the world or learn which countries our residents have journeyed from to be here

You can record your next hit single, music video or podcast at Studio 2166 at Whitlam Library, experience virtual reality and discover the latest tech at lab.LX at Whitlam and Bonnyrigg libraries, learn a new skill at the Workary or explore our new library in Hamilton Road at Fairfield. August begins with Local Government Week which promotes the importance of Council to residents, ratepayers, businesses - the whole community. Council manages much, much more than just rates, roads parks and rubbish - it provides leisure centres, libraries, the Museum & Gallery, community centres and halls, childcare centres and festivals, to name a few. Council will have mobile offices in shopping centres during the week to answer your questions about Council. Pop in and say hello!

We also turn our minds towards celebrating those in our community that have given freely of their time to make this City great with the opening of nominations for our Australia Day Community Awards.

One Night at the Museum is an amazing twilight showcase of art and artistic expression held at Fairfield City Museum & Gallery.

Fairfield City plays host to Sydney's – and probably the nation's – biggest and brightest Moon Festival at Cabramatta on 19 September. This will be the festival's 22nd year and is sure to be a massive celebration of our City's cultural diversity, with great food, entertainment and fun.

We also celebrate Father's Day on 5 September and open Aquatopia for the school holidays from the 18th. There will also be plenty to do to keep young ones entertained at our libraries, leisure centres and Nalawala Sustainability Centre.

As the weather warms up, why not also take a walk or a ride along our many kilometres of paths, or head to one of the dozens of playgrounds around our City.

In December, Council gets into the Christmas spirit with a focus on families and community. There are special library story time events, the lighting of Christmas trees in Fairfield and Horsley Park, visits by Santa at Fairfield and Canley Vale, and carols in Cabramatta.

We also decorate our roundabouts and major intersections with beautiful Christmas lights, and invite the community to get into the spirit by decorating their homes and entering our Light Up Christmas Competition. Follow us on Facebook (@fairfieldcity) for details.

The festivities follow through to 31 December for Council's spectacular New Year's Eve Illuminate celebrations at Fairfield Showground, which delivers one of the biggest fireworks events in south west Sydney.
