# Fairfield City Council's Free Environmental Workshops

To book a free workshop, visit [www.fairfieldcity.nsw.gov.au/events](http://www.fairfieldcity.nsw.gov.au/events) and go to the date the workshop is on or contact Fairfield City Council on 9725 0222. Booking opens one month before the workshop.

Workshops	Date and time	Location	Description
<b>Gardening for biodiversity</b>	Saturday, 8 February 9:00am – 12:00pm	Nalawala	Do you want a larger variety of native animal species visiting your garden? This workshop will look at helping you decide what you are trying to attract to your garden and then developing a plant list that will suit the soil and location of your garden. Even a garden of pot plants on a balcony still provides habitat for insects and animals.
<b>Guided walk – Cabramatta Creek</b>	Saturday, 1 March 9:00am – 11:00am	Panorama Reserve, Cabramatta	Learn about the features of the natural biodiversity along Cabramatta Creek and the Georges River as well as the past management practices around creek lines of Fairfield City. The walk will start at the end of Panorama Avenue, at Panorama Reserve, Cabramatta.
<b>Breakfast with the birds</b>	Saturday, 15 March 7:30am – 11:00am	End of Hollywood Drive, Lansvale	Join us on a walk and talk as we highlight the variety of birdlife that abounds. Please wear comfortable shoes, sun smart clothing and bring water and binoculars. Please note that this walk is on uneven ground. Meeting at the end of Hollywood drive, Lansvale. Brunch will be provided.
<b>Nocturnal mini beasts</b>	Friday, 11 April 6:30pm – 9:30pm	Fairfield Park	Join us on a citizen science project. A guided adventure through Fairfield Park. We will investigate the mini-beasts within the park and learn how to record the information in Australia's fauna data bases.
<b>Backyard habitat for kids</b>	Thursday, 24 April 9:am – 12:00pm	Nalawala	A fantastic workshop designed to introduce kids to the local animals and bugs that live alongside us.
<b>Guided walk Orphan School Creek</b>	Saturday, 10 May 9:00am – 11:00am	Christie Street	Learn about the features of the natural biodiversity along Orphan School Creek and the Indigenous Flora Park as well as the past management practices around creek lines of Fairfield City. Meet at Christie Street in Prairiewood.
<b>Backyard habitat for kids</b>	Thursday, 10 July 9:00am – 12:00pm	Nalawala	A fantastic workshop designed to introduce kids to the local animals and bugs that live alongside us
<b>In the night sky</b>	Tuesday, 15 July 2:00pm – 4:00pm	Gough Room in Whitlam Library	Here is a chance to find out about the creatures that are flying around in our night skies. This workshop focuses on microbats and mega bats. This workshop is your opportunity to get up close and personal with these animals. The workshop concludes with fun activities relating to all the creatures that you have just encountered.
<b>Propagation for kids</b>	Thursday, 17 July 9:00am – 12:00pm	Nalawala	A terrific workshop focused on teaching kids and the young at heart how to propagate and grow plants using a variety of techniques
<b>Breakfast with the birds</b>	Saturday, 9 August 7:30am – 11:00am	Irelands Bridge Reserve	Join us on a walk and talk as we highlight the variety of birdlife in our City. Please wear comfortable shoes, sun smart clothing and bring water and binoculars. Brunch will be provided. We will meet at Irelands Bridge Reserve, Lansvale.
<b>Fairfield City's hidden nightlife – spotlighting</b>	Friday, 29 August TBC	TBA	Have you ever wondered what creatures come out at night? Come for a night walk along one of Fairfield City's creeks and use your senses to explore what Fairfield City has to offer. You will need to wear warm clothes, mosquito repellent and bring a spotlight or torch.
<b>Propagation of native plants</b>	Saturday, 6 September 9:00am – 12:00pm	Nalawala	Do you have a fear of gardening? Or do you want to learn to grow native plants? This workshop is designed to encourage garden novices to come and enjoy an experience of learning how to propagate seedlings and how to keep them alive.
<b>Frogs of Fairfield City</b>	Friday, 26 September TBC	TBA	Come and listen to a talk on frogs in the local area and learn how frogs are the indicators of the health of the environment. The evening will conclude with a stroll to see what frogs we have in Fairfield City.
<b>Propagation for kids workshop</b>	Thursday, 9 October 9:00am – 12:00pm	Nalawala	A terrific workshop focused on teaching kids and the young at heart how to propagate and grow plants using a variety of techniques.
<b>Managing weeds in an urban environment</b>	Thursday 20 November 10am – 12:00pm	Whitlam Library	Did you know our gardens are the greatest source of environmental weeds? Learn what plants in your garden can spread to our precious natural areas, how they spread and how we can prevent this from happening. Look at alternative plants that serve the same function as those classified as environmental weeds. You will also receive some free native plants for your garden.

Events	Date and time	Location	Description
<b>Chemical Clean-Out and e-Waste Drop Off Day</b>	23 February	Fairfield Showground	Safely dispose of your hazardous and electronic materials at Council's free drop off day.
<b>Clean Up Australia Day</b>	2 March All day	Various sites in Fairfield City	Be a part of the largest community based environmental initiative in the country by cleaning up your local area. Visit <a href="http://www.cleanupaustaliaday.org.au">www.cleanupaustaliaday.org.au</a> to find a site or register your own.
<b>Community Nursery Open Day</b>	8 March 9am – 1pm	Community Nursery, Nalawala Sustainability Centre Fairfield Showground	Come and explore our community nursery and gardens site, meet the volunteers, pick up some free native plants plus get some plant and gardening advice, enjoy the native animal display and so much more. A great experience for the whole family.
<b>Earth Hour</b>	22 March 8.30pm – 9.30pm	Your house	Join millions of people worldwide by turning off all lights and non-essential electrical appliances such as TVs, computers and phone chargers for one hour.
<b>National Tree Day</b>	27 July 9am – noon	TBC, Planet Ark web page	National Tree Day is Australia's largest community tree planting event. By planting trees, you will be joining thousands of individuals in making a difference, connecting people with nature, beautifying neighbourhoods and inspiring positive environmental change. BBQ lunch will be provided.
<b>Community Nursery Open Day</b>	20 September 9am – 1pm	Community Nursery, Nalawala Sustainability Centre Fairfield Showground	Come and explore our community nursery and gardens site, meet the volunteers, pick up some free native plants plus get some plant and gardening advice, enjoy the native animal display and so much more. A great experience for the whole family.
<b>Spring Clean Drop Off Day</b>	TBC	Fairfield Showground	Bring along your unwanted bulky household items and garden waste to Council's free collection day. This event is for Fairfield City residents only.
<b>Chemical Clean-Out and e-Waste Drop Off Day</b>	TBC	Fairfield Showground	Safely dispose of your hazardous and electronic materials at Council's free drop off day.

(*Chrysolopus spectabilis*)

### Environmental Volunteer Group workdays

Volunteer Group	Date and time	Location/Venue	Description
<b>Fairfield Community Nursery</b>	Every Tuesday, Wednesday, Thursday 8:30am – noon	Community Nursery, corner Greenfield and Moonlight roads, Prairiewood	Fairfield Community Nursery is a native plant nursery and garden project located at Fairfield Showground, Prairiewood. We are looking for new volunteers to join our vibrant social volunteer group. There are volunteer positions remaining on Tuesday, Wednesday or Thursday mornings. Activities include a wide range of nursery, environmental and gardening. All ages and abilities welcome. Drop in or call 02 9725 0222 to inquire.
<b>Fairfield Indigenous Flora Park</b>	3 <sup>rd</sup> Saturday of each month 9am – noon	Christie Street, Prairiewood at the entrance to the Flora Park	The Fairfield Indigenous Flora Park Group was the pioneer environmental volunteer group in Fairfield City, established in 1991. The group are at a stage where native regeneration is greater than weed regeneration. They need your help to maintain this area and continue the native regeneration. Tasks include hand weeding, track maintenance, seed collecting and monitoring.

# FOOD ORGANICS & GARDEN ORGANICS FOGO

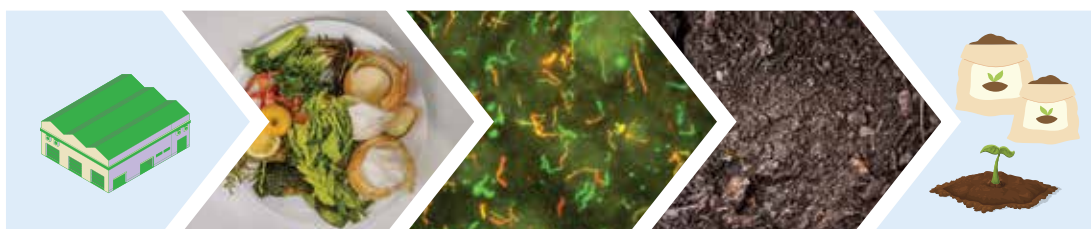

In early 2024, Fairfield City Council introduced the **green FOGO (Food Organics & Garden Organics)** bin to residents to tackle the issue of organic waste entering landfills.

Since its launch, food and garden waste has been diverted to a composting facility, where it breaks down into high-quality compost.

Together, we're building a greener, more sustainable future!

## AT THE COMPOSTING FACILITY

The composting facility creates the right conditions for organic waste to break down. Regularly tilling the waste and maintaining a dark, humid space, allows microorganisms to decompose the organic waste through **aerobic decomposition**. The process can take 6-8 weeks to complete for all the organic matter to turn into quality compost.

## DID YOU KNOW...

Only **AS 4736** bags are allowed in the FOGO bin.  
No plastic bags!

AS 4736 bags are made from corn starch which breaks down at composting facilities into organic matter improving the compost quality.

### Run out of liners?

Collect liners for free at our:

- Libraries
- Leisure Centres
- Administration building

## The FOGO process

### RED BIN

**ACCEPTED IN THE RED BIN**

- Plastic bags
- Nappies and personal hygiene products
- Food packaging or cling wrap
- Pet poo and litter

**NOT ACCEPTED**

- No batteries
- No electronics
- No motor oil or paint
- No gas bottles

COLLECTED WEEKLY

### FOGO GREEN BIN

**ACCEPTED IN THE GREEN BIN**

- Grass Clippings
- Branches and green waste
- Fruit and vegetable scraps
- Meat, fish and bones
- Leftover food
- Compostable liners

**NOT ACCEPTED**

- No food packaging or cling wrap
- No plastic bags and cardboard

COLLECTED FORTNIGHTLY

### YELLOW BIN

**ACCEPTED IN THE YELLOW BIN**

- Glass bottles and jars
- Plastic bottles and containers
- Aluminium and steel cans
- Paper and cardboard

**NOT ACCEPTED**

- No plastic bags
- No batteries
- No grass clippings and branches
- No food scraps

COLLECTED FORTNIGHTLY

**NEVER PUT THESE ITEMS IN YOUR BINS**

- Batteries
- Electronics
- Motor fuel, oil and chemicals
- Gas bottles

# Our 3-Bin Waste Service

Remember to keep bins 1 metre apart from each other, vehicles and other obstacles.

## COUNCIL'S RECYCLING DROP OFF CENTRE

Cnr Davis & Widemere Roads, Wetherill Park  
Closed on public holiday weekends and first week of January.

These items are accepted at the Recycling Drop Off Centre.

OPEN SATURDAY 8AM-3:30PM

## KERBSIDE CLEAN-UP

Book online a kerbside collection service for bulky waste when it suits you. Scan the QR code or visit [www.fairfieldcity.nsw.gov.au/kerbsidecleanup](http://www.fairfieldcity.nsw.gov.au/kerbsidecleanup)

- White goods and appliances
- Electronics
- Bulky furniture
- Boxed or bagged small goods
- Bundled or bagged garden waste
- Mattresses
