WATCH OUT AND REPORT FROGBIT

HAVE YOU SEEN THIS ILLEGAL WATER PLANT?

Frogbit (*Limnobium laevigatum*) is a floating freshwater plant from Central and South America.

It can rapidly invade and smother waterways and is a serious biosecurity threat to NSW.

Department of
Primary Industries

WATCH OUT AND REPORT FROGBIT

LOOK for smooth, rounded, fleshy green leaves up to 4cm across, with sponge-like sections underneath.

CHECK fish ponds, aquariums, fish tanks, water features, dams and local waterways.

REPORT Frogbit to NSW Invasive Plants and Animals Enquiry Line on 1800 680 244 or Fairfield City Council on 9725 0222.
