

FROM YOUR MAYOR

Frank Carbone

Staying fit, healthy and active is not only important for our physical health but also our mental health and wellbeing. Council has the facilities to help you and your families keep active and be fit and healthy.

You can go for a walk, jog or cycle on any of our 90km of shared paths, exercise at one of our 24 outdoor fitness equipment locations that also have circuit paths, or take the pooch for a run at one of our five off-leash dog parks across the City.

No matter where you live in our City, there is a park or sportsfield within a short distance of your home for you and your family to stay healthy both physically and mentally.
