PRICING POLICY AND FEES & CHARGES 2021/2022

The Fees & Charges proposed for the 2021/2022 Financial Year are listed in this document.

Each Fee & Charge is listed with a description of the service/product provided and the specific pricing principle appropriate to the fee or charge, together with the basis upon which the fee or charge has been calculated.

A summary of the pricing principle is included on the following page.

Most fees and charges have remained at existing levels or have increased to recover costs or to reflect relative changes to the consumer price index or inflation. Where applicable, Goods and Services Tax (GST) has been applied.

A 0.75% service fee will be charged on credit card payments, with the exception of payments for memberships, entry fees, and fee for service payments made at the Leisure, Childcare and Sustainability Centres, the Libraries and the Showground.

PRICING POLICY

Under the Local Government Act, Council is required to adopt a pricing policy. The pricing policy explains the rationale behind the fees set for the use of Council services.

The following is a list of pricing principles and pricing basis:-

A. <u>Public Good</u> – Service provides a broad community benefit. Inconceivable or impractical to charge for service on a user basis.	Zero Cost Recovery
B. <u>Practical Constraint</u> – Service is a minor part of the overall operation of the Council, or the potential for revenue collection is so minor as to be outweighed by the costs of collection.	Zero Cost Recovery
C. <u>Shared Benefit</u> – Benefits from provision of the service accrue to the community as whole as well as individual users. (Community Service Obligation).	Partial Cost Recovery
D. <u>Stimulus</u> – A stimulus to the demand for the service is required. In the short term, only part of the cost of the service is to be recovered.	Partial Cost Recovery
E. <u>Evasion</u> – Charging process to recover full cost may result in widespread evasion.	Partial Cost Recovery
F. <u>Equity</u> – The service is targeted to low-income users.	Partial Cost Recovery
G. <u>Economic</u> – Service promotes or encourages local economic activity.	Partial Cost Recovery

PRICING POLICY

The following is a list of pricing principles and pricing basis:- (continued)

H. <u>Private Good</u> – Service benefits particular users, making a contribution to their individual income, welfare or profits, without any broader benefits to the community.	Full Cost Recovery
I. <u>Monopoly</u> – Council has a monopoly over provision of the service and there is no community service or equity obligation.	Full Cost Recovery
J. <u>Development</u> – Fee set will enable Council to develop and maintain a service.	Full Cost Recovery
K. <u>Contribution</u> – Charges levied to compensate community for an increase in demand for services or facilities as a consequence of a development proposal.	Full Cost Recovery
L. <u>Regulatory – Non Fixed</u> – Fee charged to cover costs incurred by legislative requirements where no community service obligation exists.	Full Cost Recovery
M. <u>Regulatory – Fixed</u> – Fee fixed by legislation	Regulatory
N. <u>Market</u> – Service provided is in conjunction with that provided by another council or agency (private or public) and there is pressure to set a price which will attract adequate usage of the service.	Reference Pricing
O. <u>In-House</u> – Service provided predominantly for Council use not sale to external markets will defray costs.	Reference Pricing
P. <u>Entrepreneurial</u> – The service is a profit making activity and the price paid by users should recover an amount greater than the full cost of providing that service.	Rate of Return Pricing
Q. <u>Penalty</u> – Fee charged is greater than cost of the service so as to act as a dis-incentive.	Rate of return Pricing
R. <u>Utility</u> – Fee charged for possession, occupation or enjoyment of Council Land, Public Land and Air Space by Gas, Electricity, Telecommunications and Water Utilities.	Rate of Return Pricing
S. <u>Regulatory – Discretionary</u> – Applicable as per legislation/ Act	Regulatory
