@FC.FrankCarbone

Welcome to the April edition of our quarterly City Connect brochure, delivering important Council news to your letterbox.

I trust that you all had a relaxing Easter break spending quality time with loved ones, and got among the Easter celebrations that took place around the City.

Council has hosted many family friendly events over the last few months including two super park events at Fairfield and Villawood. We are inviting the community to see what's on offer at some of our playgrounds with free ice cream, a petting zoo, face painting and a jumping castle. The next Super Park Fundays event is on Sunday 21 April at Deerbush Park in Prairiewood.

Delivery of the new green FOGO bins and kitchen caddies has commenced and will continue until the end of May. The green bin

is for all your garden and food waste with fortnightly collections starting from 3 June. The collection schedule for your red and yellow bin will remain the same.

Residents and businesses have another opportunity to buy a commemorative paver and be part of history at Fairfield Showground. Take this opportunity to recognise a special connection to Fairfield City.

I am committed to delivering the best for our families and businesses and making our City an even greater place to live, work, play and raise a family.

**Frank Carbone**

Mayor of Fairfield City

### PAVE YOUR WAY INTO OUR HISTORY

Don't miss out on your chance to be a part of history with our commemorative pavers! Join us to celebrate Fairfield Showground's redevelopment by immortalising your family or business name on our Memory Walk.

Already, hundreds have taken the chance to mark significant milestones like weddings and births and we're thrilled to extend this offer due to demand!

Secure your spot today in the geographical heart of Fairfield City. Prices are \$70 for a single paver or \$99 for a double, which also covers engraving and laying. Visit [www.fairfieldcity.nsw.gov.au/pavers](http://www.fairfieldcity.nsw.gov.au/pavers) to place your order before 30 April and leave your lasting mark in our City.

### YOUR GREEN BIN IS ON ITS WAY

In April and May, new green FOGO bins and kitchen caddies will be delivered to houses, duplexes, and townhouses.

Council is launching a fortnightly green bin service for food scraps and garden waste. The red and yellow bin services remain unchanged – same size and same collection schedules.

Collection of green waste begins in the first week of June which means you can start putting your food scraps and garden waste in your green bin from the last week of May.

Check the new waste calendar delivered with your bin to find out when your service will start. Look in your letterbox and on Council's social media and website for more information.

**Fairfield's new green bins and caddies are coming to houses, duplexes and townhouses.**

## AROUND OUR CITY

Mayor Frank Carbone awarded the winners of the 2023/2024 Mayor's Summer Holiday reading program at Whitlam Library.

Seniors came together and engaged with local services and enjoyed entertainment at the 2024 Seniors Festival Expo.

Mayor Frank Carbone joined in birthday celebrations of Fairfield City resident Frances, who turned 100 in March.
