

DEVELOPMENT APPLICATION CHECKLIST

This checklist will assist you with the preparation of your Development Application (DA). In providing the information outlined below, you will be assisting Council staff to process your application in a timely manner.

Please be aware that if the required information is not provided, your application will not be accepted at the Customer Service counter.

SUBMISSION REQUIREMENT	REQUIRED INFORMATION	YES	NO	N/A
1. APPLICATION FORM	a. Is the development/subdivision permitted?			
	b. Has the consent of all owner/s been provided?			
	c. Has the owner and applicant completed the conflict of interest declaration?			
	d. Where a company is the owner or applicant, the company seal or company letterhead should be provided. In addition, a list of the names of all partners/directors and an Australian Business Number (ABN) must be submitted. Has this been provided?			
	e. Have you provided mobile phone numbers and email addresses on the application form?			
	f. Has the political donations/gifts section of the Application for Approval form been completed prior to submission of this application to Council?			
	g. Is the proposed development adequately described on the Application for Approval form?			
	h. Has the application fee been paid in accordance with Council's Fees and charges?			
	i. Residential flat building or boarding house, involving demolition, strata, subdivision, alterations and additions, may constitute low cost accommodation & requires assessment under State Environmental Planning Policy (Affordable Rental Housing) 2009 – Part 3			
2. PLANS/ DETAILS	a. Are the plans legible, drawn to a suitable scale and of an architectural standard (ie., site plan 1:200 and architectural plan 1:100)?			
	b. Do the site plans show - north point, boundary dimensions, existing vegetation, proposed landscaping, site area and location, including natural surface contours (A.H.D. required if flood or overland flow affected)?			
	c. Do the architectural plans show - elevations and sections, levels (existing & proposed), location of existing and proposed buildings or works, floor plans, room layout and intended uses?			
	d. Is at least one (1) copy of the plans, which involve alterations and additions to an existing building, coloured?			
	e. Do plans contain details of existing and proposed subdivision pattern, including the number of lots and location of roads?			
	f. Do plans show the location of all existing buildings or other permanent improvements together with their relationship to any existing or proposed boundaries?			
	g. Do plans show all topographical features, including natural watercourses or easements, which will affect the use on any portion of land?			
	h. Do plans show the location of all trees on the land, also within 10m of subdivision boundaries on adjoining properties where the subdivision involves the construction of drainage, driveways, fill, etc., adjacent to boundaries of the subdivision?			
	i. Do the plans show contours of the land at 0.5 metre intervals?			

SUBMISSION REQUIREMENT	REQUIRED INFORMATION	YES	NO	N/A
	<p>j. Have shadow diagrams been attached, which show the location of buildings on adjoining properties including position of windows on adjoining buildings? two (2) copies - refers to two (2) -storey dwellings and first floor additions</p> <p>l. Has the appropriate structural engineers details/plans been provided? <i>Note:</i> Preliminary engineering drawings required for subdivisions</p> <p>m. Food premises: Have detailed plans showing compliance with the Food Act & Council's Food Premises Code been provided? Refer to Council's Food Premises information sheet for further details</p>			
<p>3. NOTIFICATION PLANS</p>	<p>Where notification is required, have you submitted a notification plan?</p> <p>This plan shall include site, elevations, levels and shadow diagrams (required on 2-storey dwellings, single Storey dwellings and additions with a floor level over 1.5 metres above natural level, first floor additions, zero allotment proposals, outbuildings larger than 50m2 and all new rural dwellings)</p>			
<p>4. STATEMENT OF ENVIRONMENTAL EFFECTS</p>	<p>A Statement of Environmental Effects must be submitted describing the potential environmental impacts of the proposal (e.g. privacy issues, solar access) and proposed measures to protect or lessen impacts on the environment.</p> <p>a. Is a statement of environmental effects required? (E.g. Torrens Title subdivision, Community Title)</p> <p>b. If yes, is the "Statement of Environmental Effects" attached?</p> <p>c. Does the "Statement of Environmental Effects" include the following:</p> <p>i. A statement of compliance with planning requirements such as zoning and Development Control Provisions, and any other statutory provisions?</p> <p>ii. Access provisions required for and by the subdivision, and impact on traffic?</p> <p>iii. Drainage requirements of the subdivision considering both overland and piped flows?</p>			
<p>5. WASTE PLAN</p>	<p>Has a Waste Management Plan been submitted meeting the requirements of 'Appendix E' of Council's Fairfield City Wide DCP 2013?</p>			
<p>6. STORMWATER</p>	<p>a. Have stormwater drainage details containing information meeting the requirements of 'Appendix A' of Council's Stormwater Drainage Policy been submitted with the application?</p> <p>b. Has a full calculation schedule producing hydrologic and hydraulic grade line analysis been submitted with this application?</p> <p>c. Has a flood study been submitted in accordance with Council's Flood Risk Management Policy for flood and overland flow affected properties?</p> <p>d. Has the natural surface and finished surface contours been submitted with the application to A.H.D. for properties affected by overland flooding and flood extents?</p> <p>e. Have detailed on site detention plans been provided?</p> <p>f. If yes, have you attached the required O.S.D Checklist?</p> <p>g. Do you require a stormwater isolation valve to contain pollutants?</p>			
<p>7. FLOOD RISK MANAGEMENT</p>	<p>a. Has a flood study for new developments in areas affected by overland flow been provided in accordance with Council's Flood Risk Management Policy?</p> <p>b. Is a copy of a Section 10.7 (2) and (5) Planning Certificate obtained from Council for flood prone land attached?</p> <p>c. Has a flood risk management report addressing controls within Chapter 11, Fairfield City Wide DCP for all flood prone development been submitted?</p>			

<p style="text-align: center;">8. BASIX</p>	<p>A Basix Certificate is required for all new dwellings (including secondary dwellings), dwelling additions (where the value of works exceeds \$50,000.00) and swimming pools over 40,000 litres. This certificate can be obtained from www.basix.nsw.gov.au</p> <p>a. Has a Basix Certificate been provided?</p> <p>b. Have details of the commitments to Basix been included on the plans? (Including proposed vegetation , location of water tank, location and specifications of air conditioning unit)</p>			
<p style="text-align: center;">9. DEVELOPMENT CONTRIBUTIONS</p>	<p>Are Local Infrastructure Contributions (previously referred to as development contributions) applicable to the proposal?</p> <p>The Local Infrastructure Contribution Plan 2023 (s.7.11 and s.7.12) applies to development in Fairfield City. The Plan identifies whether a s.7.11 contribution <u>or</u> a s.7.12 levy will apply (<i>refer 1.10 Development to which this Plan applies</i>).</p> <p><u>Note:</u> s.7.11 contributions (previously known as s.94) generally applies where development increases the number of dwellings or occupancies on a site.</p> <p><u>Note:</u> s7.12 levies (previously known as s.94A) generally applies where development is not subject to s.7.11 contributions (and development in the Western area) and where the development cost is greater than \$100,000.</p> <p>Local infrastructure contributions (s.7.11 contribution or s.7.12 levy) shall be paid in accordance with the conditions of a development application, generally prior to the release of the construction certificate or subdivision certificate.</p>			
<p style="text-align: center;">10. FIRE SAFETY SCHEDULE</p>	<p>a. Has a list of proposed fire safety measures been provided? (i.e. essential services - fire hydrants, hose reels, emergency lighting)</p> <p>b. For multi-unit housing, commercial/retail & industrial development. Are any of the following Category one (1) fire safety provisions provided (circle where relevant); fire hydrant, sprinkler system, fire control centre, emergency lift, Automatic smoke detection & alarm, smoke exhaust system & heat vents</p>			
<p style="text-align: center;">11. HERITAGE IMPACT</p>	<p>a. Is the development on a land identified as a State Heritage Listed Item? Note: Planning Certificates which are available from Council provide this information. Development involving State Heritage Items are referred to as Integrated Development and require approvals from other Government Departments, with an additional fee payable.</p> <p>b. Is the development on a land identified as a Local Heritage Listed Item? Note: Planning Certificates which are available from Council provide this information. A Heritage Impact Statement may be required, prepared by a qualified heritage consultant. Contact Council for more information.</p> <p>c. Is the development within the visual catchment of a State or local heritage item, being 50 metres in an urban environment, and 300 metres in the rural area of Horsley Park and Cecil Park? A Heritage Impact Statement may be required. Contact Council for more information.</p>			

12. NON URBAN RURAL ZONE	a. Has an onsite stormwater detention details been provided in accordance with Council's On Site Detention Guidelines? (Required for any development over 30m ²)?			
	b. Are you seeking approval for a Septic Tank Application? (An activity under Section 68 of the Local Government Act, 1993)			
	c. Has a Contamination Assessment report prepared by a qualified environmental engineer in accordance with EPA's contaminated site guidelines? (Required when converting to a more sensitive land use, e.g. market gardening to residential)?			
	d. Details outlining the proposed use for all ancillary structures greater than 60m ² ?			
13. THIS SECTION ONLY REQUIRED TO BE COMPLETED FOR - SECTION 4.55 MODIFICATION APPLICATION	a. Refer above submission requirement No. 5 (Statement of Environmental Effects). Also : i. As part of the Statement of Environmental Effects, a statement shall be provided that addresses and demonstrates compliance with all relevant Clauses of Section 96 of The Environmental Planning and Assessment Act 1979; and ii. Provide a statement outlining why the modification is sought.			
	b. Submit a copy of the original approved documentation that is the subject of the modification (Architectural Plans, Development Consent, etc.)			
	c. Submit copies of the modified documents proposed: i. Plans that have proposed modifications highlighted; ii. New/amended reports (Acoustic, Traffic and Parking etc.); and iii. Proposed amended condition(s) or condition(s) to be deleted.			
	d. Ensure that all plans and details to be submitted are in accordance with above submission requirements No. 3 (Plans/Details) and No. 4 (Notification Plans) of this checklist.			

Declaration by Applicant

In submitting this checklist I acknowledge that:

- Conflict of interest declaration for the land owner and I as the applicant, has been completed.
- To the best of my knowledge, the details on this checklist are correct in every aspect and the information required has been supplied.
- I understand that if I do not clearly demonstrate compliance with the relevant policies and the information requested above, this application may be rejected, returned and /or refused.
