Our Commitment to Aboriginal and Torres Strait Islander Residents

Fairfield City Council (Council) acknowledges the Cabrogal people of the Darug nation as the traditional custodians of Fairfield City and pays its respect to the Elders past, present and future. The Cabrogal name comes from the 'cobra grub', an edible freshwater worm harvested from local creeks in the City that was a staple food for the clan. Council also recognises the spiritual relationship Aboriginal Australians have with the land and the right to live according to their own beliefs, values and customs.

In July 2000, Council signed a Local Government Commitment that both acknowledged and recognised Aboriginal and Torres Strait Islander people as the first people of Australia. It acknowledged their loss and grief caused by alienation from traditional lands, loss of lives and freedom, and the forced removal of children.

Council continues this commitment through the endorsement of the Fairfield City Aboriginal and Torres Strait Islander Reconciliation Action Plan 2021-2022 to support the community. The Plan is based on the principles of Respect, Relationships and Opportunities. The development of the plan and Council initiatives are guided by the Aboriginal Advisory Committee, *Warin Tiati*, which means 'let's talk' in Darug. The Warin Tiati advises Council on issues that affect the Aboriginal community.

Message from the City Manager

It is a pleasure to present Fairfield City Council's 2020-2021 Annual Report, detailing key achievements during the past financial year.

Council performed well in meeting its service and project delivery commitments in the 2020-2021 Operational Plan, despite the many challenges brought about by the global Covid-19 pandemic.

Due to the Covid-19 restrictions imposed by the NSW Government, Council's operating income between July 2020 and February 2021 was significantly below budget. This was due to two major factors:

- Loss of revenue from many Council services, due to their enforced closure or operating at a significantly reduced capacity.
- Financial concessions being granted by Council for necessary additional community support programs and to commercial tenants who were struggling to keep their businesses from closure.

Council, to some extent, offset revenue loss by imposing tighter control over costs during the period.

Throughout the pandemic, Council has acted in accordance with advice from Federal and State health and emergency authorities to ensure that it continued to deliver essential services, whilst protecting the safety of the community and its staff. Almost all of Council's services were negatively affected, however it was an opportunity to change direction and focus on meeting the different needs of the community brought about by the pandemic including those who are more vulnerable.

Due to Council's history of many years of prudent financial management, we are able to continue to invest in community infrastructure and to deliver a record pipeline of capital works, which creates jobs, opportunities and services for our community.

The financial resilience of Council is evidenced by the improved operating performance of most of its services during the late part of the financial year. The recovery from the 2020-2021 financial year restrictions will, in itself take many years however the 3 month lockdown commencing 26 June 2021 will worsen and lengthen this recovery even further. Council will continue to work hard and monitor financial and operational performance and take appropriate steps to mitigate ongoing financial losses.

Specifically in response to the COVID-19 pandemic during the 2020-2021 financial year, Council,

- Launched the Mayor's Wellbeing Register and web page. This program case managed residents with referrals to services for new registrants and providing welfare checks to previous recipients, and re-established referral pathways for necessary community support.
- Supported Meals on Wheels with advocating for funding, so that contactless delivery can be achieved for the 1600 meals delivered a week, ensuring volunteer supply and redeploying Council staff, as required.
- Extended sportsfield lighting at 18 sites to provide greater opportunity for residents to exercise in line with restrictions.
- Provided rental assistance to tenants of Council's properties, including rent relief, rent deferrals and repayment plans.
- Provided telehealth sessions for physical rehabilitation clients, developed instructional plans for group fitness participants, and created workout videos that were shared on social media.
- Supported cafes and restaurants to conduct weekly safety audits in accordance with State and Federal Government guidelines regarding COVID-19.
- Conducted live online Council Meetings and provided residents with access to listen.
- Released additional information on COVID-19 as well as support available for the community through Council's website.
- Retained the combined residential Rates and Annual Charges at previous year's levels, for 95% of affected ratepayers.
- Simplified eligibility criteria for financial hardship and did not charge interest to ratepayers experiencing financial hardship.
- Extended loan period on all items borrowed from libraries and removed any fines.

In implementing the 2020-2021 Operational Plan, Council:

- Opened Deerbush Park Playground, an all-abilities playground located adjacent to Fairfield Showground, which includes Fairfield City's first 'Liberty Swing' to allow access for children in wheelchairs, learn-to-ride track, flying fox and outdoor gym equipment.
- Completed Fairfield City's biggest off-leash dog park, with three separate fenced areas, as well as seating, shelters and drinking stations for the comfort of dogs and their owners. One section will also be set aside for hire by dog clubs, dog agility training and police dog training.

- Launched the New Fairfield Library, which included a children's area, games room with latest technology, soundproof central meeting spaces and on-site café.
- Installed and opened the People's Globe, a granite Kugel Ball and base at Fairfield Showground, including world map etching, underground plant room, landscaping works with a 20m flagpole, paving with country of origin inlay, and a flag wall.
- Held the Bring it On! Festival across three sites with 1,600 youth visitors enjoying headline attractions such as Kookies N Kream and Jessica Jade. The events included live music, fitness and movement workshops, creative and interactive youth space and chill out zones. The event ran free shuttle buses between Prairiewood, Bonnyrigg and Fairfield and was live streamed online.
- Launched the new online Book-In Kerbside Clean Up service, allowing households to go online and book two free annual collections on a day that best suits them.
- Held a Lunar New Year event in Cabramatta, with 2,500 members of the community enjoying Year of the Ox/Bufalo.
- Celebrated Culinary Carnival in Fairfield City Centre, with over 2,000 members of the community enjoying a wide variety of food stalls, a pop up kitchen with free workshops.
- Held a Seniors Week Expo at Fairfield Showground with over 500 attendees enjoying a mixture of COVID safe face-to-face and video presentations, information stalls, activities and entertainment.
- Installed shade umbrellas and 11 cabanas with barbeques at Aquatopia Water Park, including landscaping, and is now available for the community to utilise.
- Finalised the Accelerated Local Environmental Plan (LEP) Review Program incorporating a range of significant studies and strategies most notably the Fairfield Local Strategic Planning Statement; Local Housing Strategy (draft); Urban Design Studies for six town centres; Industrial Lands Review; Business Lands Review; Transport Study; Heritage Review; Community Facilities and Open Space Needs Study; and Public Domain Plans for nine town centres. Fairfield LEP 2013 (Amendment No.37) to implement the first tranche of findings from the review was made and commencement of stage 2 planning proposal, which includes the remaining findings.

Council was also recognised and awarded for its achievements throughout the year, receiving the Museum and Galleries NSW IMAGInE Award for the Living the Past Digital Project, which created digital content as an alternate experience for schools who cannot physically participate during the COVID-19 pandemic.

Unfortunately, the pandemic has caused the cancellation of a number of regular Council events in the 2020/2021 financial year but we are confident we will be able to showcase a range of events in the coming year.

Council continues to play an important role within the Western Parkland City and in Greater Sydney generally. This includes an ongoing commitment to the Western Sydney City Deal and the NSW Government's Metropolis of Three Cities plan, by representing the community's needs and interests to ensure the best outcomes are achieved for Fairfield City.

I would like to recognise the Fairfield City community for the resilience, perseverance and commitment displayed during the most challenging of times. The people of Fairfield have weathered the storm of the harshest of restrictions. The community rose to the challenge by staying home when necessary, getting regular testing and with high levels of double vaccination. We have some of the highest vaccination rates in Australia and therefore we are able to look forward to a bright future and more exciting times. Please read through this Annual Report and find out more about what we do to make Fairfield City a great place for families to live, work and visit.

Integrated Planning and Reporting Framework

The Local Government Integrated Planning and Reporting (IPR) Framework is a legislative requirement for all NSW councils. Councils are required to develop a series of long, medium and short term plans to ensure councils are more community focused, responsive and sustainable in the long term.

What are the plans in the framework?

Fairfield City Council's IPR Framework is made up of a number of plans including:

- Fairfield City Plan (10 years)
Community Strategic Plan
- Delivery Program (4 years)
- Operational Plan (1 year)

These plans are informed by a Resourcing Strategy (10 years) that is made up of:

- Long Term Financial Plan (money)
- Asset Management Policy, Strategy and Plans (assets)
- Workforce Management Plan (people)

What reports are in the framework?

Council reports on these plans and the progress towards achieving the community's vision, priorities and goals through the following reports:

- End of Term Report
(Reports on the Fairfield City Plan)
- Annual Report
(Reports on the Operational Plan)
- Quarterly Reports (includes Six Monthly Reports)
(Reports on the Operational Plan and Delivery Program)

*The red box above identifies the document you are reading and where it sits in the Framework.

About the Annual Report

The Annual Report details to the community what Council has delivered for the previous year, from the 2017/18-2020/21 Delivery Program and the 2020-2021 Operational Plan.

The Annual Report is made up of four parts:

Part 1 – Introduction:

Looks at the City's profile, the elected Councillors, Council's organisational structure and the services Council provided for the community.

Part 2 - Achievements and Highlights:

Details what Council has done for the community over the past year.

Part 3 - Statutory Information:

Identifies what Council's corporate responsibilities are and what has been achieved for the community over the past year.

Part 4 - Financial Summary:

This is a financial summary of Council's position including where income has come from and where it was spent.

Our Elected Representatives 2016-2021

Fairfield City Council is divided into three electoral wards - Cabravale, Fairfield and Parks. There are thirteen elected representatives comprising of a popularly elected Mayor representing the City and four Councillors representing each of the three wards. Elected representatives are responsible for advocating and representing the interests of residents, property owners and businesses in Fairfield City.

The next Local Government election is due to be held on 4 December 2021. At the November 2020 Extraordinary Council Meeting, Council adopted a new ward boundary plan that will take effect at the next Local Government election. This change will see the Fairfield Local Government Area divided into 2 Wards being the new Parks and the new Cabravale Wards.

Measuring our progress against the 2017/18-2020/21 Delivery Program

Indicators are used to review Council's progress against the 2017/18-2020/21 Delivery Program. These are broken down into the five themes and set targets for each service to achieve the community's vision, priorities and goals as identified in the Fairfield City Plan.

In the table below, Council's performance is measured against the indicators from the previous financial year in order to demonstrate where the performance is improving, decreasing or remaining the same.

Trend	Performance
↑↓	Improving compared to 2019/2020
↑↓	Weakening compared to 2019/2020
↔	Remaining similar compared to 2019/2020

Due to NSW Health restrictions relating to COVID-19 and the social distancing restrictions in place at different times during 2020-2021, a number of public facilities and amenities, events, and activities relating to social gathering were postponed to ensure community and staff safety, which affected these indicators measuring overall performance.

COVID-19 Support

COVID-19 has had a widespread impact on Council and the community since social distancing rules were introduced and non-essential services first closed in March 2020.

The initial hard lockdown had a severe impact on Council's results due to the substantial loss of revenue arising from a downturn in activity, rental concessions to tenants and the closure of services. The gradual easing of Public Health Order restrictions from June 2020 allowed Council's services to progressively reopen, but economic conditions, on-going social distancing restrictions and COVID hesitancy meant that revenue from income generating services continued to be impacted during the current financial year. However, the negative financial impacts of COVID-19 were partially mitigated by tight cost control over employee costs and operating expenses.

Council's revenue (before capital grants and contributions) was \$4.67 million less than the prior year due to the impacts of COVID-19, but it should be noted that this included a reduction of \$1.52 million arising from the suspension of the Stormwater Levy in 2020/21 to assist ratepayers during these difficult times. Council has experienced a cumulative revenue reduction of \$10.0 million during the past two years due to the impact of COVID-19 imposed Public Health Order restrictions on Council services, economic impacts and financial concessions provided by Council.

Throughout the pandemic, Council has acted in accordance with advice from Federal and State health and emergency authorities to ensure that it continued to deliver essential services, whilst protecting the safety of the community and its staff. The following is a summary of key initiatives and services provided by Council in 2020-2021 in response to the pandemic and public health order restrictions.

Financial Support to the Community

- Provided rental assistance to tenants of Council's properties, including rent relief, rent deferrals and repayment plans.
- Simplified eligibility criteria for financial hardship and not charging interest to ratepayers who are experiencing financial hardship, receiving financial support from Commonwealth or NSW Government under a COVID relief package and have entered into a repayment plan.
- Extended up-front gym memberships by corresponding length of closures due to public health orders.
- Suspended direct debit gym membership payments and issued swim academy credits and refunds until public health orders are eased.

Community Support

- Established a volunteer program for making masks at Whitlam Library, Cabramatta, with more than 1,200 reusable face masks provided to vulnerable residents.
- Donated 1,000 3D-printed, biodegradable facemask clips to Fairfield Hospital staff.
- Installed 72 social distancing decals across Fairfield City.
- Delivered 1,100 hours of telehealth (phone or video call) and face-to-face sessions to 138 clients through the Fairstart program.
- Launched the Mayor's Wellbeing Register (MWR) web page, case managing residents with referrals to services for new registrants and providing welfare checks to previous recipients, and re-establish referral pathways.
- Provided assistance to businesses regarding COVID-19 information and assistance posters, individual COVID-19 safe plans and access to information on Council's website.
- Promoted 578 businesses through the #supportlocal initiative on social media, highlighting individual businesses and business categories.
- Extended sportsfield lighting at 18 sites to provide greater opportunity for resident compliant exercise.
- Provided additional cleaning services to retail and car parking facilities.
- Representation on the Local Emergency Management Committee to address issue of vulnerable community members and providing access to food.
- Conducted welfare checks on young people and provided referrals to services.
- Linked volunteers to community organisations needing new volunteers.
- Timed on street parking not enforced during lockdowns.
- Continued to provide National Disability Insurance Scheme (NDIS) services through online therapy sessions.
- Extended loan period on all items borrowed from libraries and removed any fines.
- Promoted online library content through a range of social media channels to raise awareness of available services and resources for all customer groups.
- Worked with NSW Health to advocate for Services NSW to be able to refer to Resilience NSW.
- Walk in testing clinics supported at Fairfield Community Hall, Cabramatta Community Centre, and Brenan Park Community Hall.

- Testing clinics supported at Fairfield Showground, Rosford Reserve, Endeavour Park, Brenan Park Community Hall and Fairfield Youth and Community Centre.
- Supported Meals on Wheels with advocating for funding so that no contact delivery can be achieved for the 1600 meals delivered a week, ensuring volunteer supply and redeploying staff as required.
- Continued health and wellbeing check phone calls to library members aged 70+ and referring eligible people to the Mayor's Wellbeing Register for ongoing support.
- Minimised in-person community engagement for the Local Environmental Plan (LEP) Stage 2 Planning Proposal public exhibition (2-30 June) by sending out 6,500 letters to landowners affected by proposed changes to the LEP zoning or planning controls in the eastern areas of the City including Fairfield, Cabramatta, Canley Vale and Carramar Town Centres. A telephone hotline was also set up, with approximately 300 calls taken, and detailed information placed on Council's website.
- Local Emergency Management Committee liaison meeting coordinating and overseeing local response.
- Liaison provided for Regional Emergency Operations Committee meeting.
- Rolled out QR codes at Council community centres and halls to enable COVID-19 compliance and to ensure the continuation of essential services where possible under the compliance requirements.
- Translated resources and updated messages sent to key stakeholders including chambers of commerce, shopping/strata managers and clubs to assist them in messaging to their members regarding COVID tests, COVID compliance audits and financial support packages.

Continued Delivery of Essential Council Services

Council Support to Co-ordinated Tri-Level Government COVID Response

- Liaised with South West Sydney Health to facilitate drive through testing clinic at Fairfield Showground.
- Liaised with NSW Police and Transport for NSW to assess and improve traffic management at Fairfield Showground
- Sent EDMs (electronic direct mail) encouraging 'Stay at home' and 'Get tested' messaging to approximately 400 organisations and workers across the Fairfield City.
- Sent local business EDMs to over 20,000 email addresses. The EDMs included information regarding business support packages, updates to restrictions and messages from the Mayor.
- Implemented social media campaigns to provide communications of health orders, and support services available to the community.
- Provided tenancy support to explain COVID-19 requirements, QR codes, messaging in community languages, posters, and surveillance.
- Provided advice and information to community organisations on public health orders, food provision and in-language information for residents on testing, vaccination and stay at home orders.
- Responded to many individual businesses seeking the latest information or where they can go to get business support.
- Continued to provide domestic waste and recycling services along with public litter bin servicing, public toilet cleaning and CBD cleaning to ensure public amenities are maintained.
- Undertook litter collection along with mowing as required to ensure walkways and playgrounds are safe for the community.
- Continued illegal waste investigations and activities to ensure immediate response to hazardous waste issues.
- Continued trade waste collection to support local businesses.
- Proceeded with Development Assessments including facilitating Development Pre-lodgement meetings with Development proponents and consultants.
- Building Control and Development Planning Divisions implemented recent process changes with the NSW Planning Portal to enable assessment determinations to continue.
- Customer Service Team continued to provide services, support (including information regarding COVID) and take payments for the community.
- Continued to ensure staff productively working remotely by distributing IT equipment, remote technical support, tailored work plans produced for staff members, and clear and consistent messaging to staff on COVID compliance requirements in the workplace and safety and compliance issues in Fairfield City, in which a significant number of staff are residents, to minimise anxiety.
- Provided telehealth sessions for physical rehabilitation clients, developed instructional plans for group fitness participants, and created workout videos that were shared on social media.

Achievements and Highlights

THEME ONE - Community Wellbeing

Fast Facts

Key Highlights

- Launched the New Fairfield Library, which included a children's area, games room with the latest technology, soundproof central meeting spaces and an on-site café.
- Donated 1,000 3D-printed, biodegradable facemask clips to Fairfield Hospital staff.
- Held the Seniors Week Expo at Fairfield Showground with over 500 attendees enjoying a mixture of COVID Safe face-to-face and video presentations, information stalls, activities and entertainment.
- Presented the Mayor Youth Achievement Awards to 18 recipients, recognising their involvement in sports, arts, business, humanitarian, and community activism.

Diversity and Multicultural Activities

Diversity and Multicultural Services

Council supports the Aboriginal and Torres Strait Islander, migrant, refugee and emerging communities of Fairfield City by building the capacity of the local community services sector and encouraging collaboration between agencies. Council convenes and/or supports various interagencies, partners with community organisations to implement strategic projects that deliver on the Fairfield City Plan and advocates for equitable funding for the community and the sector. Council convenes the Multicultural Advisory Committee and Warin Tiati (Fairfield's Aboriginal Advisory Committee), which are two formal resident Committees who advise Council on issues that impact cultural communities.

The restrictions on gatherings and meetings in response to the COVID-19 Pandemic has impacted the range and number of activities, meetings and events that were held during this financial year. Advisory Committee meetings and meetings between community organisations continued, online or in hybrid settings appropriate to the public health order at the time.

Projects and Programs

This year, Council delivered projects with Aboriginal, newly arrived refugee and Culturally and Linguistically Diverse (CALD) communities, often in partnership with local agencies, to promote and address a range of issues:

- Collaborated with NSW Government agencies to engage with a range of CALD community and religious leaders to educate and support their communities about COVID-19 health restrictions and contact tracing.
- Held the flag raising ceremony for National Reconciliation Week at the Administration Centre, which was attended by Aboriginal Elders and community members to promote reconciliation and to appreciate First Nation's people.
- Commemorated NAIDOC Week with banners flown across the city.
- Held two meetings of the Aboriginal and four meetings of the Multicultural Advisory Committees. Council also co-convened ten meetings of the Multicultural Interagency, which includes over 50 community organisations.
- A group of 11 First Nations young people participated in a Connection to Country Walkabout during National Reconciliation Week. The group walked along a songline in Faulconbridge in Darug land and visited several sacred sites. They participated in a smoking ceremony, practised ochre painting and had a yarn about the Dreaming and traditional knowledge and practice. This activity helped the young people to feel a greater connection to their culture and identity.
- Provided free Adult CALD learn to swim programs at Cabravale Leisure Centre and Fairfield Leisure Centre.
- Worked with the South Western Sydney Local Health District's Multicultural Health Services to establish the COVID-19 CALD Community Advisory Group to provide an avenue to consult on the best mechanisms to communicate with multicultural communities regarding COVID-19.
- Eight youths from refugee background were asked to co-design a mural based on the Refugee Week theme of unity in conjunction with the arts organisation Muralisto. The mural is based on concepts around what they felt is important to them using visual code in an abstract way.
- The art exhibition, Mawa Ngurra, provided a response by Aboriginal artists to the reality of climate change and its impact on the Australian landscape, community and our connection to country. It acknowledges the unique spiritual connection of First Nations people to this land.

Living Cultures Festival

- MIRAS was a vibrant display of Uyghur cultural content that discovers and explores this little known ethnic group. Originating from Central Asia, several hundred Uyghur migrants and refugees now call western Sydney home. This project was delivered in partnership with the Australian Uyghur Association.
- Fairfield City Museum and Gallery hosted an online artist talk with Shireen Taweel regarding the evolution of code-switching in a multilingual society, unpacking the influence of the Arabic, French and English languages on Lebanese cultural identity and evolution of language and culture.
- Facilitated the delivery of the NSW 2020 COVID-19 CALD Summit on 29 July 2020 through the NSW Local Government Multicultural Network, which was attended by more than 80 people from government and non-government organisations. The summit discussed the impact of COVID-19 on CALD communities and the challenges experienced by authorities to engage with and communicate effectively with CALD communities.
- Delivered the Spanish Living Library project in collaboration with the Spanish and Latin American Association for Social Assistance and the South West Sydney Local Health District Mental Health and Health Promotion teams. The project encouraged people to share their lived experiences and aimed to reduce stigma associated with mental illness within the Spanish speaking community.
- Partnered with the NSW Service for the Treatment and Rehabilitation of Torture and Trauma Survivors (STARTTS) to deliver a refugee youth-led and driven project with 45 Assyrian refugee young people. The project's aim was to develop the capacity of refugee young people in decision-making, project management and leadership.
- Collaborated with government and non-government organisations to deliver a Faith Leaders Forum on Gambling Harm with the aim of raising awareness about gambling harm and provide information about gambling services.
- Provided more multilingual collections and services. Introduced the Languages other than English (LOTE) collection of eBooks on CloudLibrary for: Arabic, Spanish, Italian, Chinese, Vietnamese, Croatian, Serbian and Russian languages.
- Commissioned the Edmund Rice Centre for Social Justice to undertake an evaluation of the Fairfield City Settlement Action Plan (FCSAP), to support the needs of humanitarian entrants in Fairfield. The report concluded that the FCSAP was largely successful in promoting cooperation among service providers and improving advocacy.
- Held Bilingual Babytime and Storytime sessions online in Chinese, Vietnamese, Arabic and Spanish.
- Delivered the Tech Savvy Seniors (TSS) program to promote digital inclusion and to meet the library needs of CALD communities. The TSS program delivers free digital skills training using personalised face-to-face in-class group training sessions, mixed media 'self-teach' learning resources, language guides, with bilingual trainers.
- Host to the Homelessness Engagement Program at Whitlam Library, providing a safe space for the homeless and people at risk with access to support services and morning teas. This service was opened only for 6 months due to the COVID-19 pandemic.

Advocacy

State and Federal Governments have made significant policy changes to the funding of community services, arts and other community activities. This has resulted in the loss of funding to local organisations and a lack of information regarding which organisations are providing services and where these services can be accessed.

Council has undertaken a range of advocacy actions to support the Fairfield City community. These include:

- Submission to the Senate Committee for Foreign Affairs, Defence and Trade Inquiry into the issues facing diaspora communities in Australia. This detailed issues facing diaspora communities including the need to build capacity of small diaspora communities.
- Submission to the Commonwealth Parliamentary Inquiry into Australia's Creative and Cultural Industries and Institutions. This detailed Fairfield's strengths and resources to address the disparities in creative opportunities and infrastructure for CALD communities.
- Advocated to the State Government to provide funding to run the Libraries after Dark initiative in Fairfield, which was presented in collaboration with the Fairfield Multicultural Interagency's Gambling Working Group that is comprised of 22 community organisations. The Libraries after Dark initiative provides social activities after hours offering an alternative to gambling in the night time economy.
- The Fairfield Emerging Communities Action Partnership (FECAP) conducted research to understand the employment needs of recently arrived humanitarian entrants and migrants. The findings demonstrated that the majority of migrants came to Australia with skills, qualifications and work experience that were not recognised and faced multiple challenges navigating the labour market and securing employment.
- Participated with other local councils in the Refugee Employment Study, *Refugee Employment Experience: Struggles, Strategies and Solutions*, undertaken by the Edmund Rice Centre. The report highlights the refugee perspective on working and looking for work.
- Research undertaken to identify people living in secondary dwellings and understand their community service needs. The research highlighted that 45% of respondents rented from a family member and 60% had lived in their existing dwelling for less than two years.
- A submission was made on the Western Sydney Aerotropolis Draft Precinct Plans and highlighted the need to ensure that Fairfield City has access to the same opportunities as those provided to the cities of Liverpool and Penrith.
- A submission was made to the Department of Home Affairs on the English Language Requirement and the New Sponsorship Framework for the Partner Visa Program, which raised concerns about the implementation of the proposed reforms and the additional barriers this will place on potential applicants.
- A submission was made to the Commonwealth Department of Health on the draft National Preventative Health Strategy 2021-2030. The submission highlighted the health and social needs of the Fairfield City community, the specific needs of refugees, humanitarian entrants, Aboriginal people and the effects that gambling harm has had on the community.

Access and Equity Services

Council's Access and Equity activities are actions that benefit the broader community by promoting fairness in the way we distribute our resources and services, recognising the community's cultural and faith based rights, the physical, developmental and health needs of the community and providing opportunities to participate in consultations to determine our future direction.

Council continued the development of an inclusive City by improving access to facilities and services including:

- Delivered Council's Disability Inclusion Action Plan (see page 46 for further details).
- Installed Readspeakr on the Council website to make the information on Council's website accessible to families with visual impairments, literacy issues and those who cannot read English.
- Delivered a drawing competition in celebration of Grandparents Day about what makes their grandparents special to them. Winners got family passes to Aquatopia with tickets to take their grandparents.
- Introduced a social media campaign to raise awareness of the International Day of People with Disability, on 3 December. The day promotes acceptance and understanding of people with disability and celebrate their achievements and contributions to the community.
- Held the Seniors Expo at Fairfield Showground, which was attended by approximately 600 seniors, their families, carers and friends. Originally planned to be an online event, video presentations from service providers highlighting what they offer for older people to stay independent at home, prevent isolation and learn how to use computers, the internet and digital gadgets were shown. As health restrictions were lifted, live entertainment and more than 30 face-to-face information stalls were also included at the event.
- Delivered the Community Development Grants Program, which provides assistance and support to local community organisations. Grant application categories included Community Capacity Building, Disability, Domestic and Family Violence Prevention and Refugee Week. A total of \$75,409 in grant funding was provided to 27 projects.
- Delivered the Social Change Through Creativity Grants Program, which provides assistance to community organisations or community groups encourage and support creative-based projects. A total of \$30,000 in grant funding was provided to 6 projects.
- Provided free pool entry to 16,276 seniors who live within the Fairfield City.
- Provided free pool access to 29,384 residents who presented with either a Disability Support Pension (DSP) Concession Card or Veteran Affairs Totally and Permanently Incapacitated (TPI) Card.
- Provide free Learn To Swim Lessons for adults and teens, parents and bubs, children with a disability and pre-school aged children during Water Safety Week.
- Held a free community open day, which allowed over 2,000 patrons to come and enjoy the facilities at Fairfield and Prairiewood Leisure Centres.
- Delivered Active Recover, a rehabilitation therapy service, which provided 2,950 one-on-one sessions with clients. These sessions were a combination of work cover, disability sessions, hydrotherapy, chronic disease management and our veterans program.
- Painted a mural at Fairfield Adventure Park as part of Graffiti Removal Day to create a more inviting environment for families and young people. The mural was painted by artists MigsxEze with anti-graffiti coating to allow for easy removal of graffiti. Young people from the Fairfield Youth Centre were involved in the co-design process of designing the mural.

Seniors Bus Tour

- Developed resources aimed at reducing motor vehicle theft and raising awareness of 'sneak theft'. The resources including merchandise with messaging such as stress cars, recyclable rubbish bags for cars and pamphlets in different languages were distributed to local train stations, community centres, Council facilities and in over 400 packs to residents at pop-up stalls. A further 131 residents had anti-theft number plate theft screws installed and provided with car safety educational materials at an event held at Fairfield Showground in partnership with Fairfield City Police Area Command.
- Made an online submission to the Department of Social Services on the approach to measuring, monitoring and reporting of the effectiveness of the new National Disability Strategy 2010-2020 (NDS) and the National Disability Insurance Scheme (NDIS). Council highlighted the need for improved access and equity to NDIS services and mechanisms to accurately monitor and measure impacts of activities for people with disability.
- Made a submission to the Statutory Review of the Advocate for Children and Young People Act 2014 conducted by the NSW Department of Communities and Justice (DCJ). The submission recommended greater independence from the government, stronger youth representation on the NSW Youth Advisory Council and increased clarity regarding an appointed Joint Parliamentary Committee that monitors the Advocate.
- Installed assistive technologies for people with a disability to increase access and inclusion at all our libraries including visually and hearing impaired activity centre, textured carousel box, blackboard table, sensory balls, mobile activity walls, large wooden activity cube, magnetic tracing letters, and tactile panels.
- Hosted the Senior Bus Tour with a total of 55 Fairfield City seniors with a morning tea and detailed tour of the new Fairfield Library.
- Co-convened the Homeless Interagency to support people who are sleeping rough.
- Made welfare calls as part of the Mayor's Wellbeing Register as part of Council's response to COVID-19. This register enabled isolated and vulnerable people to seek support and assistance including welfare checks and referrals to community support services
- Held a library fine amnesty between 1 March 2020 and 31 January 2021. There was a total of 13,425 library fines waived.
- Provided audio and large print books, and home library service for housebound community members. eReaders with eBooks pre-loaded allow customers to increase font sizes to their desired reading size.
- Delivered early intervention services to children with disability and exercise physiology as a provider through the National Disability Insurance Scheme (NDIS).
- Provided access to high quality early intervention programs such as the Fairstart Early Intervention for children aged 0-8 years.
- Provided over 100 supported playgroup sessions to 65 families, including 84 children, to assist children with disabilities to transition to preschool.

Disability Inclusion Action Plan

The NSW Disability Inclusion Act 2014 increases the rights, protections, inclusions and safeguards for people with disabilities. The Disability Inclusion Act 2014 requires local government to put in place a Disability Inclusion Action Plan to promote the inclusion of people with disability across all Council services, facilities and information.

In response to the requirements under the Disability Inclusion Act 2014, Fairfield City Council adopted the Fairfield Disability Inclusion Action Plan 2017 (DIAP) on 13 June 2017 and submitted it to the NSW Disability Council and the Minister for Disability Services.

The key focus is to integrate the DIAP and actions to be taken into Council's corporate plans, workforce culture and services. Some key highlights that were identified during the 2020-2021 financial year included:

Encouraging positive community attitudes and behaviours

- Implementing a social media campaign to raise awareness of the International Day of People with Disability. The day promotes acceptance and understanding of people with disability and celebrate their achievements and contributions to the community.

Creating liveable communities

- Purchased a three-wheeled rickshaw style bike for use by the Western Sydney Cycling Network (WSCN). The WSCN will offer rides to members of community, with particular focus on people with disability, the elderly and people with limited mobility.
- Installed inclusive equipment at Fairfield City Open Libraries to assist people with disability to access library services. Equipment includes children's sensory play equipment, software (screen readers) and speech activation to enable computer access for people with vision impairment.
- Developed a tool for Council to identify and prioritise access needs.
- Conducted audits on 18 community facilities, and pedestrian ramps in Fairfield Town Centre.

- Upgraded four intersection pedestrian ramps in Fairfield Town Centre. The ramps were identified in the 2019 Access Audit of Fairfield Town Centre as being inaccessible and these upgrades will increase accessibility in the Town Centre
- Finalised and distributed the Fairfield Town Centre Mobility map to the community at events and through community organisations and online.

Supporting access to meaningful employment

- Promoted Council as an Equal Employment (EEO) employer

Improving access to services through better systems and processes

- Added ReadSpeaker (text to speech software) to Council's website to make information accessible to families with visual impairments, literacy issues and those who cannot read English. This ensures that the website meets web content accessibility guidelines.
- Updated the alt text (alternative text) for images on Council's website to ensure image information can be articulated by text-to-voice applications.
- Conducted a review of the Disability Inclusion Action Plan (DIAP) between April and May 2021. The review provided recommendations that will inform the development of the next DIAP.
- Included advocacy for accessibility in submissions for Aerotropolis precinct plans and NSW Government Social Impact Assessment Guidelines.

Measuring DIAP Progress

Indicator measures are a method of assessment used in determining how Council is progressing towards achieving the community's vision, priorities and goals identified in the 2016-2026 Fairfield City Plan (City Plan) that relates to the DIAP. Therefore the indicator measures are broken down across the five themes identified in the City Plan and against each service area. It is important to note that the results identified below will assist Council in establishing targets for future years.

Figure 1: Overall performance of indicator measures from the DIAP.

The trend in the performance of these indicators is reviewed quarterly. As can be seen in **Figure 1**, Council is in a positive position with 75% of its indicator measures identified from the DIAP working towards achieving the community's vision. The 25% of indicators working away from achieving the community's vision is due to the availability of resources to meet these targets as well as public health orders relating to social distancing. Detailed performance of these indicator measures are noted in the table below.

Compliance for Carers

Fairfield City Council recognises the valuable social and economic contribution carers make to the community and the people for whom they care for in line with the NSW Carers (Recognition) Act 2010 and NSW Carers Charter.

Council's support for carers includes:

- Social media campaign to raise awareness of dementia to mark Dementia Month in September 2020.
- Advocating on local carers' issues to input into the Carers NSW Pre-Budget Submission. Issues raised included mental health and relationship issues for carers during the COVID-19 lockdown.
- Social media campaign to raise awareness of the contribution of carers to the community to mark Carers Week in October 2020.
- Raised awareness of independent living practices and support services as well as digital connectivity for seniors and cares at 2021 Seniors Week.
- Presentation about services provided by Carers Gateway to the South West Ageing Services Forum in June 2021.
- Staff have access to carer's leave and can seek to work flexible hours to manage caring responsibilities.

Council Staff Carers

The following policies and programs enable staff to request council support in achieving a work/life balance which enables fulfilment of caring responsibilities outside their employment.

- Flexible Working Arrangements Policy – Subject to operational requirements.
- Appropriate Workplace Behaviour Policy.
- Employee Assistance Program.
- Diversity Management – Equal Employment Opportunity Plan articulating actions that support the objectives of the Carers Recognition Act and NSW Carers Charter.
- Delivered staff education that included information on the NSW Carers Charter and Council support for employees who provide care for individuals with disability, illness or are frail aged.

Environmental and Planning Activities

State of Environment Report (SOE)

The State of Environment Report (SOE) details the stakeholders' achievements on the environmental goals identified in the 2016-2026 Fairfield City Plan (City Plan). Council was required under the Local Government Act (Act) to develop the SOE and include it in Council's Annual Report, in the year of an ordinary election. This requirement is no longer compulsory under the amended Act due to the SOE already being incorporated into the Integrated Planning and Reporting Framework and captured through the End of Term Report 2020.

The End of Term Report is designed to report on the progress in achieving the community's goals and priorities as set in the City Plan over the past four years by all stakeholders. It reviews where the community wanted to be, what has been done and what gaps were identified for consideration in future plans such as the next City Plan.

The Fairfield City community indicated through extensive community engagement for the City Plan that the following issues were of importance to the community; the health of waterways, protecting bushland, cleaner environment through less rubbish dumping, cost savings to the community through water and energy reduction practices and better recycling.

Stakeholders have been driving a number of environmental initiatives over the past four years as identified in the City Plan.

Theme three – Environmental Sustainability, identifies the goals, outcomes and strategies identified by the community and the majority of indicators (68%) are progressing towards the community's vision with 32% progressing away from this.

The indicators that are progressing away from the community's vision relate to stormwater and floodplain risk management initiatives and studies that have been delayed due to pending grant funding approval, as well as a reduction in environmental education and volunteer activities due to NSW Health restrictions and social distancing to combat the COVID-19 Pandemic.

For the full details of the achievements on the environmental goals identified in the 2016-2026 Fairfield City Plan, refer to the 2020 End of Term Report, which is available on Council's website:

www.fairfieldcity.nsw.gov.au/endoftermreport/

Fairfield Showground Off-Leash Dog Park

Companion Animals Act and Regulation Activities

Council is required to report a detailed statement of activities relating to enforcing and ensuring compliance with Companion Animal Act and Regulations.

Lodgement of pound data collection returns with the Office of Local Government (OLG)

A total of 447 animals were seized during 2020-2021 financial year, which is made up of 70 cats and 377 dogs.

Seeking alternatives to euthanasia for unclaimed animals

After impoundment, Council's animal shelter reviews each seized animal and explores alternative options, such as sending to a rescue home, animal adoption, foster care or sells the animal before any decisions are made in regard to the euthanasia of an animal. A total number of 214 animals consisting of 22 cats and 192 dogs were returned to owner/rehoused.

Lodgement of data relating to dog attacks with the OLG

Council reports dog attacks to the Office of Local Government via the Companion Animal Register within 72 hours of being notified of the attack. Last financial year 56 dog attack incidents were reported.

Amount of funding spent relating to companion animal management and activities

In 2020-2021, more than \$205,330.75 was spent on the management of companion animals and related activities.

Companion animal education programs and desexing initiatives

Council has implemented a range of community education programs and desexing initiatives which included:

- Provided free dog microchipping in June 2021 to support the community, with 50 dogs microchipped.
- Partnered with the Animal Welfare League to provide discounted cat and dog desexing, as well as free microchipping. A total of 50 dogs and 250 cats successfully desexed, and microchipped if required.
- Partnered with the Cat Protection Society to provide pensioners and residents on low income with free microchipping and \$30 desexing of their cat. A total of 80 cats were desexed and microchipped.
- Provided free microchipping service to residents experiencing financial hardship.

Stormwater Levy

Council's Stormwater Levy program is funded from a charge levied on all rateable properties in Fairfield City. The program provides an additional source of funding for stormwater management projects.

In 2020-2021, the Stormwater Levy was suspended as a response to COVID-19, therefore \$0 was raised by the Stormwater Levy. Council did, however, receive \$114,000 in grant funding into the Program. Approximately \$0.88 million was spent from the Stormwater Levy Reserve on a mix of planning, design, construction, maintenance, and research projects as outlined in the table below.

Development Contributions

Under the NSW Environmental Planning and Assessment Act 1979 and accompanying regulation, Development Contributions provide funding for local infrastructure including community facilities, libraries, new open spaces, open space embellishment and traffic management projects.

Council's Direct (Section 7.11) Development Contributions Plan 2011 and Indirect (Section 7.12) Contributions Plan 2011 provide for Council to expend funds collected from developers on eligible projects that support improvements in infrastructure.

Council continues to plan, manage and monitor Development Contributions to ensure infrastructure is being developed when needed. In this financial year, Council:

- Undertook a major review of the existing contributions framework within Council, which resulted in a report and direction for a future contributions plan for the City.
- Prepared an administration plan for Council's contribution framework, to guide future plan administration and process improvements.

Planning Agreements

A Voluntary Planning Agreement (VPA) is an agreement entered into by a planning authority (such as Council or NSW Department of Planning and Infrastructure) and a developer. Under the agreement a developer agrees to provide or fund:

- Public amenities and public services
- Affordable housing
- Transport or other infrastructure
- Dedication of land
- Monetary contributions
- Construction of infrastructure
- Materials for public benefit and/or use

Council is required to list all VPAs that it is a party to, in its Annual Report and in a publicly available VPA Register. VPAs cannot be entered into unless public notice has been given and an explanatory note is made available for inspection for at least 28 days. Current VPAs are:

- Bonnyrigg Living Communities, Bonnyrigg
- 47-53 Pedestrian Mall, Villawood
- 13 Booralla Road, Edensor Park

Summary of Voluntary Planning Agreements

Bonnyrigg Living Communities, Bonnyrigg VPA

The Bonnyrigg Living Communities Project involves the redevelopment of the Housing NSW estate in Bonnyrigg over 18 years. The VPA with the Bonnyrigg Partnership covers the developer contribution for this project.

Status: Activated

Outcome: As part of the VPA, Hilltop Park has been completed and is open to the public, with the remaining works subject to the final occupation certificate and the dedication of land to be finalised. Furthermore the design works for the community centre has commenced for the Bonnyrigg Living Communities project. The proponent is proposing a modification to the overall Bonnyrigg Living Communities Masterplan. That process will result in a modified VPA with additional community benefit provided.

47-53 Pedestrian Mall, Villawood VPA

This requires the applicant to provide a monetary contribution towards the acquisition of land from the NSW Land and Housing Corporation to construct the Kamira Court missing road link. The applicant is also required to construct associated footpaths, playgrounds and amenity buildings at Hilwa Park.

Status: Executed

Outcome: Council agreed to enter into the VPA in November 2016, which was executed on 20 March 2017. This VPA has not commenced as construction of the associated development has not yet begun.

13 Booralla Road, Edensor Park VPA

This requires the applicant to construct the Sweethaven Road missing road link to Booralla Road, which includes the upgrade and construction of any associated road services.

Status: Completed

Outcome: Council agreed to enter into the VPA in June 2017, which was executed on 10 September 2017. Construction of the associated development at 13 Booralla Road and the works required in the VPA (extension of Sweethaven Road) has been completed, with the road dedicated to Council.

Workforce Management Plan Activities

Workforce Management Plan

Council's Workforce Management Plan (WMP) outlines a four-year strategy to resource operations and projects identified in the Delivery Program. It ensures that Council has the right workforce, attributes, capabilities and strategies in place to meet community expectations now and in the future.

The vision for the WMP is that Council achieves a well-earned reputation among staff, the labour market and the sector as 'A great place to work – a great community to serve'.

Each program is underpinned by priority objectives and actions. These objectives and actions are the result of consultation with Council staff, evaluation of the local government sector and analysis of future industry trends and challenges that will impact on the organisation.

- Ongoing monitoring and management of Long Service Leave liability in accordance with the Local Government (State) Award, including leave management plans.
- Management of complex industrial relations matters including review of employment arrangements.
- Completed several workplace reform proposals to improve business efficiency across Council.
- Supported management in various job trials and new business initiatives.
- Completed multiple Job Evaluations to realign activity to existing workforce needs.

Workforce Management and Operations

Council has focused on improving human resource's strategies, while continuing to meet operational requirements through service delivery and optimising organisational performance.

Some achievements include:

- Reviewed key human resource policies and procedures, including flexible working arrangements, complaints management, and post-graduate study assistance policy.
- Facilitated multiple conflict resolution / mediation sessions and workshops to address team culture.
- Provided coaching, mentoring and advice to support managers in the management of their workforce needs.
- Facilitated workshops with management to identify future workforce requirements and opportunities.
- Ongoing monitoring and management of Annual Leave liability in accordance with the Local Government (State) Award, including annual leave plans for employees with an entitlement of more than eight weeks' leave.

Organisational Culture and Leadership Program

Council's Culture and Leadership Program is an ongoing initiative, which focuses on maintaining a constructive culture, which is underpinned by Council's corporate values, and leadership competencies, which aims to achieve Council's mission.

A number of key actions for Council included:

- Developed the Annual Corporate Training Calendar based on training needs. Staff and supervisors send through their Learning and Development Plans when they set their Skills and Competency measures at the beginning of each financial year.
- Assisted teams booking in monthly team building/ training sessions for the whole year, leading to delivery of tailored training programs, which meet the needs of individuals, teams and groups
- Offered one on one coaching, which was taken up by staff who need support and strategy development.

Summary

- Staff have access to 1819 professional development programs, which are critical to their role.
- For the duration of COVID-19 lockdowns, the Online Learning and Development team sourced online training sessions as alternatives to those normally being offered face-to-face; in-house training was offered online to enable staff to have continued team building sessions.
- While Council's Learning Management System is being developed, training records are kept up to date and stored in their payroll records so that all staff can still access their training history.
- Developed Divisional Managers Development program to increase management and critical process capabilities – completed 31 profiles and succession plans.
- Launched the Divisional Development Program. The first session addressed an area that all Divisional heads needed development – Manages Self. Divisional Heads were then divided into four syndicates to develop solutions for implementing a Time and Attendance System across the Organisation. The second session is on Change Management.
- Contributed to the Industry Reference Committee for the development of a competency framework for leadership in Local Government and updated the Local Government Training package; now editing modules for the Public Sector Package.
- Delivered, in partnership with the Black Dog Institute, a three-tiered program to address Mental Wellbeing for teams. This program offers managers strategies, scenarios and information on how to address issues around mental health and how to have the conversations when necessary.
- Developed and implemented the revised Skills and Competency system for outdoor staff so that both indoor and outdoor are on the same system.
- Transitioned Skills and Competency Assessments to paperless and delivered online.

Staff Support During COVID-19 Pandemic

Council is required to manage the risk of COVID-19 to ensure the health and wellbeing of our staff and the community we serve. The Coronavirus Coordination Team (CVCT) has been established by the Executive Leadership Team to monitor the development, implement strategies and be the central contact for this evolving situation.

In addition, a Pandemic Plan was developed which outlines what actions to take depending on how things develop and decisions made based on expert advice from NSW Health and relevant authorities.

To ensure the safety of staff and limit the spread of COVID-19, Council has implemented the following in the workplace:

- Prepared documentation for staff on the requirements outlined in the Public Health Orders.
- Distributed regular staff communication to kept staff informed regarding the progress and duration of the COVID-19 restrictions requirements.
- Developed site specific COVID Safe Plans, including QR check-in at all Council facilities and work sites.
- Identified Council essential and authorised workers and provided letters of work attendance.
- Developed site specific Safe Work Method Statements and updated as required by the Public Health Order.
- Enabled direct advice to be provided to staff enquiries regarding their specific matters and issues of concern through the COVID-19 email.
- Responded immediately to a large amount of email enquiries.
- Maintained regular contact with NSW Health and relevant authorities and provided an afterhours service to NSW Health contact tracers for any information that may be required from Council records eg: shop proprietor details.

- Installed signage for social distancing of at least 1.5 metres within lunchrooms, kitchen common areas, desks and between work colleagues.
- Provided hygiene products such as gloves, masks, antibacterial wipes, and disinfectant spray for daily cleaning and sanitisation of workstations and equipment.
- Thorough and deep cleans were undertaken as required by cleaning contractors.
- Advised staff to use phones, skype, and email to contact staff or customers, and limit face-to-face interactions.
- Implemented protocols for reporting COVID-19 tests.
- Implemented protocols for staff reporting were they had been identified as close or casual contacts.
- Advised staff to stay home if feeling unwell and get tested.
- As part of the splinter award, special leave provisions were provided to staff to obtain a vaccination.

Diversity and Equal Employment Opportunity

Council has a Diversity Management and Equal Employment Opportunity Plan articulating actions that support diversity, equal employment, disability inclusion and carers recognition in the workplace.

Key actions for Council included:

- Delivered Disability Awareness training to all employees.
- Accommodated all reasonable adjustments requested in our recruitment processes.
- Supported flexible working arrangements to assist employees in the transition to retirement, managing disability and caring responsibility and without negative impact on council operational requirements.
- Implemented a work experience program for people with disability and refugees within our community.
- Reviewed our documentation and publications to ensure use of inclusive language.

Payroll Operations

Council's payroll is responsible for delivering the weekly, fortnightly and monthly pay cycles to ensure the integrity and accuracy of the payroll function and timely delivery of a high quality service to Council's business units.

Key actions for Council included:

- Satisfied audit requirements for payroll processing and compliance with records management requirements.
- Reviewed and updated multiple forms to capture application and authorisation of changes to payroll information including Annual and Long Service Leave cash out.
- Implemented new payment rules to reflect workforce changes in response to COVID-19 restrictions.
- Complied with Australian Tax Office (ATO) requirements in the implementation of Single Touch Payroll Phase 1, MyGovID for Auskey and PRODA (Provider Digital Access - an online identity verification and authentication system).
- Implemented single sign on process for Council's payroll systems: Chris Payroll and ESSKi.
- Upgraded online payroll system for employee self-service online.
- Updated employee remunerations in line with Award Increase and implemented taxation changes in line with ATO requirements.
- Processed employee Annual Performance and Development Assessments.
- Conducted a detailed system review in preparation for payroll enhancement to a Time and Attendance System.

Work Health and Safety Management System - Continuous Improvement

Council's health and safety management system is a planned approach to manage health and safety in the workplace. The health and safety management system includes policy, procedures and plans that systematically manage health and safety at work to help minimise the risk of injury and illness in the workplace. Programs include hazard identification, risk assessment and control, contractor/volunteer health and safety, information and recordkeeping, and training.

The Work Health and Safety Management System is robust and Council strives for Continual Improvements, this includes:

- Regular and systematic continuous improvement inspections.
- Review of the 10 core procedures that apply to all business units.
- Review of 13 procedures for High Risk/Specific safety functions.
- Conduct inspections every 12-18 months followed by a High Risk/Specific, as required.
- Presentation on the Work Health and Safety Consultation Framework on system improvements.
- Managing compliance expectations and change in operating environments.

Work Health and Safety Management System (WHSMS) Simplification

Council's Work Health and Safety Management System simplification program is an ongoing initiative, which focuses on the principles of continuous improvement and pragmatic implementation across Council.

A number of key actions for Council included:

- Incorporated the Chain of Responsibility procedure to the WHSMS, as well as the Responsibilities, Accountabilities and Authority matrix.
- Ten (10) core procedures have been reviewed, simplified and implemented.
- Each core procedure is supported by fact sheets.
- Council has implemented a revised risk matrix and procedure.
- A review was undertaken of the WHS Audit tool to reflect system changes.
- WHS audits completed in accordance with the audit schedule.
- Development of in-house training for hazardous manual tasks, significantly reducing cost of external providers.
- Development of a Corporate Emergency Planning Committee to support the organisation in relation to information and training, fire compliance Personal Emergency Evacuations Plans and site specific evacuation drills.

WHS-00 Work Health and Safety (WHS) Policy

WHS VISION STATEMENT

"An organisation where we effectively work together to ensure the safety, health and well being of all people who work for, and visit Council."

WHS POLICY

As a result, at Fairfield City Council, we are committed to develop, implement, review and continually improve the Work Health and Safety Management System (WHSMS) in compliance with the Work Health and Safety (WHS) Act and Regulations, National Heavy Vehicle Regulations, relevant Codes of Practice, Australian Standards and statutory requirements.

At Fairfield City Council, safety is not negotiable. We are all responsible for our own health and safety and those around us in the workplace.

POLICY OBJECTIVES and COMMITMENTS

This policy is applicable to Council and all its operations and functions. Fairfield City Council is committed in:

- Complying with relevant health and safety legislation and other requirements placed upon the Council or to which the Council subscribes;
- Establishing measurable objectives and targets for health and safety to ensure continuous improvement aimed at elimination of work related illness and injury;
- Reducing the impact of occupational injury, illness and disease through the reduction of Lost Time Injury Frequency Rate (LTIFR) and average Loss Time Rate (LTR) per annum;
- Ensuring all workers are included in the decision making processes impacting on workplace health and safety;
- Providing the right of a worker to cease unsafe work;
- Developing and implementing a Risk Management Program consistent with the nature of our workplace activities and scale of health and safety risks;

- Authorising all workers to take the actions required to maintain a safe workplace and to fulfill the WHS responsibilities allocated to their position/level;
- Providing adequate facilities for the welfare of workers;
- Maintaining safe plant and structures (including buildings, masts, towers, framework, pipelines, infrastructure, underground works, shafts and/or tunnels);
- Providing information, instruction, appropriate WHS training and supervision to workers to ensure safety in workplace operations;
- Providing information, instruction, appropriate training and resources to workers to ensure Chain of Responsibility requirements are complied with under the National Heavy Vehicle Regulations
- Disseminating health and safety information to relevant suppliers, regulatory authorities, and visitors to the workplace as appropriate; and
- Effectively implementing this policy through the development and implementation of a WHS Management System (WHSMS).

Chain of Responsibility (CoR)

Council continues to implement the requirements from the National Heavy Vehicle Law 2018, also known as Chain of Responsibility.

A number of key actions for Council included:

- The development and implementation of a Chain of Responsibility Procedure including speed, fatigue, mass, dimension management, load restraint and roadworthiness.
- Developed key performance indicators for Chain of Responsibility.
- Key personnel have been trained on the elements of Chain of Responsibility
- Development of onsite Chain of Responsibility training material.

Work Health and Safety (WHS) Community Support

Council has participated in various community procurement forums in providing practical information to assist Small Medium Enterprise (SME) to understand the minimum WHS requirement when doing business with Council. Council has provided information packs and templates to assist the community in meeting compliance and their chance in doing business with Council.

Workers Compensation

The Workers' Compensation Branch has ensured compliance with the Workers Compensation Regulation 2016 and the amendments of 2018. Injured workers are returning to work as per our Injury Management and Return to Work Program. The Injury Management and Return to Work Program have been reviewed in line with legislative and State Insurance Regulatory Authority (SIRA) Standards of practice and guidelines.

Council holds a Self-Insurance License under section 211 of the Workers Compensation Act 1987 and continues to be an exemplar and Top Tier performer.

Lost Time Injury Frequency Rate

Council's Lost Time Injury Frequency Rate (LTIFR) is 11.64%. There has been an increase in Lost Time Injury Frequency Rate (LTIFR) compared to the previous reporting period due to severity and duration of injuries.

Enterprise Risk Management (ERM)

A risk is an uncertain event or condition that if it does occur can present a positive or even a negative effect or threat (such as injury, liability, loss or damage) which is best managed through an effective Enterprise Risk Management (ERM) framework and system.

Council's ERM system provides a formal, systematic and proactive approach to managing negative threats through the overarching ERM Policy, Strategy and Action Plan. It also provides the necessary methodology and tools in assessing risks and making informed decisions when considering assumptions, managing risks and sustaining business continuity, while still obtaining best value for money in delivering essential services to the community.

The ERM Strategy and Action Plan has been utilised and incorporated into Council's Integrated Planning and Reporting Framework through the Resourcing Strategy when considering the Council's Long Term Financial Plan (Money), Asset Management Plan (Assets) and Workforce Management Plan (People).

APPENDIX A – THE ENTERPRISE RISK MANAGEMENT (ERM) FRAMEWORK

ENTERPRISE RISK MANAGEMENT VISION STATEMENT

"Fairfield City Council is a RiskSmart organisation where Enterprise Risk Management (ERM) is mature and embedded into the organisational culture. This is demonstrated by a strong senior management commitment to ERM and alignment with strategic management cycles, Internal Audit and other associated functions."

ERM POLICY

Fairfield City Council (Council) strives to deliver quality services to the community and is aware that some risks are inherent in innovative service delivery.

Council recognises that its ability to achieve its objectives will be enhanced by ensuring that Enterprise Risk Management (ERM) is an integral part of its business philosophy, service planning and delivery arrangements.

Council is committed to the formal, systematic and proactive management of risks. This strengthens capacity and capability to effectively deliver services to the community by minimising the impact of adversity and loss whilst supporting the pursuit of opportunity.

POLICY OBJECTIVES AND COMMITMENTS

This policy is applicable to Council and all of its services, operations, systems and people. Council is committed to:

- Developing, implementing and maintaining a comprehensive and mature ERM Framework in accordance with best practice standards. See **Appendix A**.
- Ensuring the ERM Framework is appropriate with respect to Council's operations and environment.
- Establishing Council's appetite for risk with respect to strategic objectives.
- Ensuring the process of identification and managing risk is in accordance with ISO 31000:2009 Risk Management.
- Establishing and implementing an ERM strategy to facilitate and support Council's vision for ERM.
- Ensuring the Executive Leadership Team (ELT) and Audit and Risk Committee (ARC) have ongoing risk oversight.
- Ensuring ERM is aligned with management cycles, the Integrated Planning and Reporting Framework (IPRF) and Internal Audit.
- Ensuring a major part of Council's Internal Audit Program is based on areas identified as being most risky.
- Providing ongoing communication and training to staff on their accountabilities and responsibilities with respect to risk management.
- Ensuring managers and staff are committed to managing risks and conducting risk assessments across all levels of risk (strategic, corporate, Operational: Group and Service) in accordance with the ERM Framework.
- Ensuring Business Continuity Planning supports Council's ability to deliver its services in the event of a disruption or disaster.
- Evaluating the maturity of the ERM Framework by way of internal audit as well as external certification through the Continuous Risk Improvement Program (CRIP).

Corporate Governance

Fairfield City Council is committed to ensuring our operation, service delivery and strategic planning have integrity and are at all times equitable, transparent and accountable. The Audit, Risk and Improvement Committee (ARIC) and Internal Audit are critical function in meeting this commitment.

Internal Audit

Internal auditing is a systematic, disciplined approach that provide independent, objective assurance designed to add value to Fairfield City's operations. Internal auditing assists in achieving council's objectives by evaluating our risk management, control and governance as well as provide independent assurance to manage priority risk areas.

The internal audit function is overseen by Council's Principal Auditor and is jointly accountable to the Audit, Risk and Improvement Committee, Director Corporate Governance and City Manager. The Principal Auditor is responsible for internal audit activities. Audits are completed in accordance with the International Standards for the Professional Practice of Internal Auditing (Standards) issued by the Institute of Internal Auditors.

To ensure the internal audit function provides continued value to the Council's Executive Leadership Team (ELT) and supports ongoing compliance with legal and regulatory requirements, a risk-based Internal Audit Strategy (Strategy) was developed in consultation with the ELT and key stakeholders. The Strategy is supported with an annual work plan to assist Council in the delivery of its purpose, key priorities and continuous improvement.

Audit, Risk and Improvement Committee

The Audit, Risk and Improvement Committee (ARIC) comprises of two independents, which is recognised under the Local Government Act 2016 as an advisory committee of Council. The ARIC Committee is an integral component of Fairfield City Councils' governance arrangements, operates independently of management, play a key role in assisting the City Manager to discharge his responsibilities and provides advice to the Council on audit, risk and governance matters. Responsibilities include review and oversight of the following areas for Fairfield City Council:

- Internal controls
- Risk management
- Corruption and fraud prevention
- External accountability (including financial statements)
- Applicable laws and regulations
- Internal and external audits

Councillors have the opportunity to be nominated as members of ARIC Committee; they also receive quarterly updates on the activities through the Governance Reports.

During 2020-2021, the ARIC Committee met five times and received regular briefings including ten internal Audit Reports, which delivered a range of risk-based strategic, compliance and operational audits to monitor the effectiveness of the control environment. The ARIC Committee was also provided with a progress update on status of audit recommendations. Directors and Senior Managers were invited to discuss improvement opportunities such as the audit coverage of the 2019/2020 Audited Financial Statements with actions identified from the annual financial audit endorsed. This included a briefing from the Audit Office of NSW.

Council continues to demonstrate a commitment to complete the audit actions, with 54 audit actions remained open as at 30 June 2021.

Fraud Prevention and Control

Council is committed to corruption control initiatives that promote ethical decision making as a core part of how council operates and by complying with the corruption prevention framework. The Audit, Risk and Improvement Committee oversee the Council's corruption and fraud control framework. The Internal Audit Branch is responsible for providing strategic leadership and managing the internal audit function to minimise the impact of fraud and corruption across the council.

During 2020-2021, the Internal Audit Branch facilitated a detailed fraud and corruption workshop delivered by the Independent Commission Against Corruption (ICAC) to Council Senior Managers from high risk branches including procurement, property management and asset maintenance functions.

Government Information (Public Access) Act 2009

Council facilitates access to information in accordance with the Government Information (Public Access) Act (GIPA) 2009 and establishes four ways for information to be made available to the public.

These include:

- Mandatory disclosure of open access information - Council must publish certain information on its website.
- Proactive release - Council is encouraged to proactively release as much government information as possible, in an appropriate manner.
- Informal release - Council is encouraged to release information in response to a request without the need for a formal application, unless there are good reasons to require one.
- Formal release - In limited circumstances, access to information will require a formal access application. People have a right to access information in this way unless the GIPA Act provides a reason to withhold the information.

Public Interest Disclosure Act 1994 Regulation

Council has developed a Public Interest Disclosures Policy for an organisation-wide approach for protecting public officials (including Councillors and Council Staff) who disclose wrong doing. The Policy is modelled on the NSW Ombudsman's Guidelines and applies to all public officials of Fairfield City Council. The Policy ensures that as a public authority, the Council meets its responsibilities in receiving, assessing and dealing with public interest disclosures as noted in the Public Interest Disclosure Act 1994.

The statistics below report on the Public Interest Disclosure Act for 2020-2021.

Public Liability and Professional Indemnity

There was a total of 184 new public liability and 3 new professional indemnity claims received for the 2020-2021 period, with a total of 192 public liability and professional indemnity claims being finalised and 56 public liability and 2 professional indemnity continuing into 2021-2022. These claims are mainly dealt with by Council staff with 1 claim having progressed to litigation.

National Competition Policy

Council has adopted the Principle of Competitive Neutrality to its business activities as part of the National Competition Policy, which is applied at all levels of government. The purpose of competitive neutrality principles is aimed at eliminating any net competitive advantages accruing to government businesses as a result of public sector ownership. Such action removes potential market distortions and promotes an efficient allocation of resources between public and private businesses.

The Pricing and Costing for Council Businesses: A Guide to Competitive Neutrality issued by the Office of Local Government has also been adopted. This guide outlines the process for identifying and allocating costs to activities and provides a standard disclosure of requirements. These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents, Council subsidies, return on investments (rate of return) and dividends paid.

Declared Business Activities

In accordance with The Pricing and Costing for Council Businesses: A Guide to Competitive Neutrality, Council has undertaken a review of its business activities and determined that it has no category one or two businesses.

2020-2021 Capital Works Projects and Programs

Capital projects are generally large scale, large cost projects that are a long term investment, which build on, add to or improve Council's assets. Capital works projects would typically include constructing either buildings, roads and bridges, structures or mechanical installations, upgrading or extending existing buildings, and major road works that upgrade existing roads.

Over the 2020-2021 financial year, Council identified a total of \$115.915 million worth of capital works projects to be delivered across the Fairfield City. Of the 521 capital construction projects, 68% were completed, 8% were postponed / discontinued and 24% were carried forward into the 2021-2022 Operational Plan for completion. The pie graph below demonstrates the final status of capital construction projects and major programs as at the end of 2020-2021 financial year.

Major Capital Projects over \$10 Million

PROJECT 1: IN490 – Western Sydney Infrastructure Plan - Smithfield Road Upgrade

Budget: \$16.4m

Status: Progressing - Construction

Expected Completion: December 2021

Fairfield City Council has obtained grant funding under the Australian Government's Local Roads Package Program associated with the Western Sydney Infrastructure Plan (WSIP) for the upgrade of Smithfield Road between Elizabeth Drive and Polding Street.

The Smithfield Road Upgrade Project proposes to upgrade 11 intersections of the Smithfield Road corridor over the approximately 5.4km length between Elizabeth Drive and Polding Street. It has achieved a continuous 4 lane wide carriageway (2 lanes in each direction) to improve the flow of traffic through this heavily congested area.

Minor works and post construction studies are to be finalised in 2021/2022.

PROJECT 2: IN477 – Dutton Plaza Car Park - Area C (Hughes Street Car Park)

Budget: \$17.3m

Status: Progressing - Construction

Expected Completion: July 2021

Fairfield City Council has constructed a multi-storey car park on the front of the Dutton Lane site (Hughes Street frontage) in Cabramatta.

The Dutton Plaza Car Park – Area C provides an additional 220 car spaces, bicycle and motorcycle parking, rainwater harvesting, solar energy collection, and electric car charging bays. This supports the local economy through steady turnover of parking spaces and makes it easier for residents and visitors to park and shop in Cabramatta town centre.

Occupation Certificate is issued with operations to commence in the second half of 2021.

PROJECT 3: SP558-1 Aquatopia Wave Pool -
Prairiewood

Budget: \$12.8m

Status: Progressing - Construction

Expected Completion: November 2021

Fairfield City Council is developing a new addition to its recreation facilities – a wave pool for Prairiewood Leisure Centre. Funding through the Western Sydney City Deal's Liveability Fund supports the delivery of this project.

The wave pool is an additional feature of Aquatopia. The facility is an attraction for residents and visitors, and includes rideable breaking waves, shaded areas, and cabanas, along with a covered stage area for outdoor events. The pool provides another outlet to address heat during the hot summer days.

The pool shell is complete with fit-out of the pool lining, planting and landscaping commenced. The facility is scheduled to open in 2021.

PROJECT 4: SP560-2 The Pavilion (New Grandstand)
at Fairfield Showground – Prairiewood

Budget: \$11.1m

Status: Progressing - Construction

Expected Completion: February 2022

Fairfield City Council is providing a new grandstand and sports amenities at Fairfield Showground. A grant from the NSW Government supports the delivery of this project.

The 1,000 seat grandstand is being built next to the existing Parklands grandstand and function centre, overlooking the newly created elite turf sports field. It includes tiered seating, athlete change rooms and amenities, kitchen, bar and canteen facilities, ticket booth, and social and VIP viewing areas. It forms part of the strategy to increase use of the Fairfield Showground.

Construction of the grandstand's superstructure is well underway with completion scheduled for early 2022.

Productivity Improvement, Cost Containment and Revenue Opportunities

Council has an active program of developing and implementing initiatives focussed on productivity, cost containment and revenue opportunities. Council continually searches for opportunities that would result in a stronger positive operating position. The key initiatives undertaken during financial year 2020-2021 are:

- Occupancy rate >90% achieved for tenancies at Dutton Plaza. A profitable enterprise that provides retail space in Cabramatta.
- Continued active and prudent management of investments, in challenging market conditions brought about by ongoing decreases in the Reserve Bank Cash Rate.
- Operating income from the sale of recycled building materials to the Sustainable Resource Centre's external customers.
- Contained Council's road program costs by diverting road waste through the Sustainable Resource Centre. This has also assisted turnover and the operating surplus at this facility.
- Focus on reducing employee leave balances has contained increases in employee entitlements during the year.
- Immediately implemented cost containment initiatives when the COVID-19 Pandemic commenced.

For the fifth year running, Council achieved all Fit for the Future benchmarks, which refer to the NSW State Governments benchmark for financial sustainability.

Special Rate Variation (SRV)

The 2014 SRV extends Council's asset renewal funding, with initiatives targeted at roads, sportsgrounds, parks and drainage assets. Specific one-off initiatives include ongoing preparations for the upgrade for Fairfield Branch Library, completion of the Cabramatta Town Centre and the Fairfield Heights streetscape upgrade.

This was the seventh year of a 10-year program of works. The assets renewed in 2020-2021 were:

- Sportsgrounds – Pump house renewal (Stockdale Reserve, Emerson Reserve, King Park, Rosford Reserve, Hartley Oval, Fairfield Park and Avery Park), Carrawood Park Amenity Building (painting), Fairfield Park (renewal of temporary storage).
- Open Space – renewal of play equipment and soft fall at Hartley Oval, Minto/Narromine Park, Clarrie Aktins, Thorley Park, Yennora Park, Peter Dawson Park and Knight Park Playground, and remediation at Thorley Park.
- Community Buildings – Fairfield Community Centre (renewal of flooring, walls, window furnishings, outdoor play areas, toilet, storage furniture and fencing), Fairfield Leisure Centre (HVAC Upgrade) and Prairiewood Leisure Centre (kiosk, offices and toilets).
- Roads, Kerb and Gutter – 42 locations programmed for the year with 30 locations completed, 4 locations discontinued as resolved with other works, 1 location postponed and 7 near completion.
- Drainage – 17 locations programmed for the year with 14 completed, 1 location being procured and 2 locations near completion.

The COVID-19 pandemic affected project resourcing. This created delays for the following projects with completion moved to 2021-2022:

- Community Building Upgrade
 - Nelson Street Car Park (lighting and painting renewal)
 - Fairfield Showground Part Awning and Car Park renewal
- Open Space – Play equipment and soft fall renewal at Coolatai Park
- Kerb and Gutter– Waterside Crescent and Railway Parade (near Frederick Street)

Designs for significant renewal work at Fairfield Leisure Centre (sports court skylights, structural steel and guttering) and Bonnyrigg Community Service Centre (internal fit-out) were completed.

Design commenced for the playground upgrade at Bareena Park – renewal of play equipment and soft fall. A NSW Government grant opportunity has been successful allowing this upgrade to increase its scope significantly.

The upgrade of the Fairfield Branch Library in Hamilton Road, Fairfield, concluded with the opening of the branch library in February 2021.

Aquatopia improvements included:

- the new wave pool and landscape surroundings – design completed and construction has commenced
- the Dry Recreation Facility scope is under review given the uncertainty COVID-19 created with future patronage

The Moorefield Grandstand renewal at Fairfield Showground was completed in February 2021.

Financial Summary

Financial Overview

Council's financial performance is aligned with its continued focus on long-term financial sustainability. Quarterly reviews of the Operational Plan and its financial performance is monitored and adjusted to the changing conditions and requirements identified throughout that year. Council reviews its Long-Term Financial Plan annually to ensure short-term needs are considered against long-term sustainability. As a result, Council remains in a strong financial position by focusing on asset renewal and service levels to ensure that we continue to meet the community's needs and aspirations.

Council's financial position remains strong with an operating result from continuing operations of \$27.5 million (2020: \$39.8 million), which included a depreciation expense of \$35.4 million (2020: \$35.4 million). The decreased operating result is mainly due to \$5 million fair value increment on investment properties last year but not replicated in 2020/2021, and \$6.9 million lower capital grant income compared to last year.

Overall income is down by 6.1% compared to the previous year to \$199.0 million. Rates and annual charges represent 59.4% of Council's total revenue and increased by 0.9% (rate peg - determination from the Independent Pricing and Regulatory Tribunal was 2.6%) against the previous year.

Where our Money Comes From

In addition to operating activities which contributed net cash inflow of \$61.9 million (2020: \$68.9 million), there were also proceeds from the sale of assets (\$2.4 million). Cash outflows other than operating activities were used to purchase and construct assets (\$76.0 million), with a loan of \$10.0 million taken out during the year to partially fund the cost of constructing a multi-storey carpark in Cabramatta. The decrease in cash from operations compared to 2020 was mainly due to negative impacts of COVID-19 on operating income and a reduction in capital grants.

Performance Ratios

Council continues to be prudently managed and financially sustainable. An analysis of industry benchmarks on its financial performance ratios as identified by the Audit Office of New South Wales is as follows:

- Operating performance indicator of 3.3 per cent (3.3 per cent in 2020) exceeded the benchmark of 0.0 per cent.
- Own source operating revenue ratio was 80.2 per cent (77.2 per cent in 2020), exceeding the benchmark of 60 per cent.
- Unrestricted current ratio of 1.9 times (1.9 times in 2020), which exceeded the benchmark of 1.5 times.
- Debt service cover ratio for the Council is 29.1 times (51.0 times in 2020) and exceeded the benchmark of 2.0 times.
- The rates and annual charges outstanding ratio was 4.0 per cent (3.9 per cent in 2020) and continues to be lower than the industry benchmark of 5.0 per cent.
- Cash expense cover ratio was 4.5 months (5.1 months in 2020), which exceeded the benchmark of 3.0 months.
- Building and infrastructure renewals for 2021 represented 130.5 per cent (119.8 per cent in 2020) of the depreciation charges for those assets, exceeding the benchmark of 100 per cent

Operating performance ratio

The 'operating performance ratio' measures how well the council contained operating expenditure within operating revenue (excluding capital grants and contributions, fair value adjustments, and reversal of revaluation decrements). The benchmark set by OLG is greater than zero per cent.

The Council met the OLG benchmark for the current year. The decrease in ratio from 2019 was due to the impact of COVID-19 on operations.

The 2020 ratio was restated from 3.22 due to classification changes for consistency with 2021 reporting.

Own source operating revenue ratio

The 'own source operating revenue ratio' measures council's fiscal flexibility and the degree to which it relies on external funding sources such as operating grants and contributions. The benchmark set by OLG is greater than 60 per cent.

The Council exceeded the OLG benchmark for the current year. The ratio has remained consistent over the past three years.

Unrestricted current ratio

The 'unrestricted current ratio' is specific to local government and represents council's ability to meet its short term obligations as they fall due. The benchmark set by OLG is greater than 1.5 times.

The Council met the OLG benchmark for the current year. The ratio has remained consistent over the past three years.

Debt service cover ratio

The 'debt service cover ratio' measures the operating cash to service debt including interest, principal and lease payments. The benchmark set by OLG is greater than two times.

The Council met the OLG benchmark for the current year. The decrease in the 2021 ratio was due to an increase in borrowings from a new loan.

Rates and annual charges outstanding ratio

The 'rates and annual charges outstanding percentage' assesses the impact of uncollected rates and annual charges on council's liquidity and the adequacy of debt recovery efforts. The benchmark set by OLG is less than 5 per cent for metro councils.

The Council met the OLG benchmark for the current year. The ratio has remained consistent over the last three years.

The 2019 ratio was restated from 4.06 due to classification changes for consistency with 2021 reporting.

Cash expense ratio

This liquidity ratio indicates the number of months the council can continue paying for its immediate expenses without additional cash inflow. The benchmark set by OLG is greater than three months.

The Council met the OLG benchmark for the current year.

Financial Statement and Audit

Fairfield City Council's Financial Statements are produced in accordance with the Australian Accounting Standards and the NSW Local Government Code of Accounting Practice. These statements are independently audited by Audit Office of New South Wales and reported to Council and lodged with the Office of Local Government (OLG) by 31 October each year. These provided a detailed analysis of financial performance during the 2020/2021 financial year.

Under the 1993 NSW Local Government Act, Council is required to produce an audited set of Financial Statements. Key statements produced, and included in this document are:

- Income Statement and Statement of Comprehensive Income
- Statement of Financial Position
- Statement of Changes in Equity
- Statement of Cash Flows, and
- Notes to the Financial Statements
